GUIDELINES -2017

“ICSI GiriSagar Vidyarthi Vikas Yojna”

Objective

The Institute under its Career Awareness Programme has devised a unique scheme to reach out to the student community and schools/Colleges in the coastal areas/ hilly regions on pan India basis. The objective of the scheme is to create visibility of the Institute in the coastal and Hilly areas wherein the growth potential for the profession is enormous and thereby securing improvement in student registration.

1.) Highlights

1. This project will be called **“ICSI GiriSagar Vidyarthi Vikas Yojna”** आईसीएसआई गिरिसागर विद्यार्थी विकास योजना
2. The project will initially focus on Hilly and Coastal cities as potential growth cities. Around 300 Cities have been identified for this Project. The list of cities is given at Annexure-A. In consultation with our local chapters/Regional Offices, the cities would be finalised.
3. The project will be launched in the month of July 2017 and will continue for August and September 2017.
4. Each of the City identified for the Project will be serviced by the nearest Regional Council/Chapter.
5. Our existing members and students connected to these cities will be requested to come forward and participate in this project.
6. Nominations from Members of ICSI will be taken through google forms (format given at Annexure-B) who are keen to join this project. Members who will associate themselves with this project will be called “Sagar” of “Giri” Doot as the case may be.
7. Regional Councils/Chapter offices will organise the Career awareness Programmes in these identified cities and will inform the members identified for this project well in advance about the Programme. The overall responsibility for conducting these programmes will be of the Regional Council / Chapter Office.
8. Teleconferences with Regional & Chapter Offices will be held on fortnightly basis to check the status of the progress of the project
9. Coordination meetings will be organized on monthly basis for the effective implementation of the project.
10. The target students for this project will be on students of 11th, 12th standard, 1st year and final year of Graduation keeping in view the cut-off date of registration for Foundation and Executive Stages.
11. Directorate of Student services will support Regional Co-ordinators appointed by the Institute for Career Awareness programmes for successful implementation of the project.

2.) Offerings:-

a.) Benefits to Sagar or Giri Doot

1. Members/Students(Toppers) associated with respective cities will be projected as Role Models in these cities and would be awarded a title "GiriDoot" or "SagarDoot" as the case may be. After successful completion of the Programme, certificate of appreciation will be conferred on them. In addition ICSI will provide suitable recognition to them through print and electronic resources.
2. SagarDoot and GiriDoot will be reimbursed actual travel fare by the respective RO/Chapter which will be reimbursed by the HO. The budget(expenses involved) for the same will be called for from the RO/Chapter.
3. A proposal to grant Credit Hours to them will be moved to the respective Committee.

b.) Benefits to Regional Offices/Chapters

- 1.) The Offices of ICSI will get development grant on the enhanced registrations plus recognition to chapters/RO for their performance in the scheme as per the extant Guidelines of the Institute.

c.) Benefits to ICSI/Officials

- 1.) Officers of the Institute will be suitably awarded/rewarded.
- 2.) Project will immensely help in increasing the visibility of the institute and thereby up scaling of students registration.

d.) Benefits to Students

- 1.) Students will get facility of instant registration in his own city /School/College.
- 2.) On the spot gifts may be provided to some of the students in the scheme.

3.) Process and Execution

Pre- Launch

A.)Off- Site Activities

1. Major Schools / Colleges will be identified in these cities
2. Local newspapers will also be identified for publicising this project as and when required
3. The Concerned Regional /chapter office will make efforts to establish Study Centers in these cities.

4. Scope of Class room teaching facilities may be identified by the Regional Councils/Chapters in the Study centers and Regional/Chapter Offices will ensure effective working of these Study Centres.
5. Concerned Regional Council/Chapter offices will tie-up with the universities in these cities under the ICSI Signature award.
6. Possibility of opening up of examination centers in these cities may be explored by Regional/Chapter Offices.

Launch-

A.) On- site Activities

7. President's press conferences will be held as and when required. Similarly, interviews of the President/VP, The ICSI, Press releases and such other activities will be organized on regular basis during the execution of the project to create vibrancy of the project. Suitable publicity will be given for the scheme through print/electronic media/ Social media .
8. The Regional/Chapter Offices will conduct Career awareness programmes in these cities and will also facilitate the students in registration process after the Career Awareness activities. If any local Career fairs are being organized in the identified cities, the Regional/Chapter offices may participate with the prior approval from HQ.
9. Mega Career Awareness programmes may also be organised in these cities wherein gathering of 2-3 colleges is there and prominent people of that particular city may be invited to address the gathering. The programme may be conducted under the banner of the ICSI

4.) Reporting Structure

The Regional & Chapter Offices will submit an MIS to the designated Career Counselling officers of the respective regions.

HQ will regularly follow up with the Regions and Chapters regarding this project and regular MIS will be maintained in this regard at Dte of SS.

5.) Branding and Publicity during the Execution

1. The project will be publicized through
