

Initiatives taken by Northern India Regional Council (NIRC)

1. An appeal was sent to Members and Students across north region to motivate them for Plasma Donation and to register on blood bank portal. Members and students are actively using the facility and getting benefit from blood bank portal.
2. Special meeting of Northern India Regional Council was convened to discuss about the various measures which can be initiated to handle unprecedented conditions arising out of Covid-19 pandemic. The suggestions and recommendations received during the meeting for welfare of members and students were forwarded to ICSI Head office for appropriate consideration.
3. Regional Council members have been assigned state wise & location wise duties to help the Members and Students in arranging Medical Oxygen, Oxygen Concentrators and other medical aids. Mobile numbers and email IDs of Regional Council members have been circulated among members across north region. The Members of Regional Council actively helping the needy members and students and providing all possible assistance.
4. A Special Meeting with Chairmen & Office In-charge of ICSI Chapters under the jurisdiction of NIRC to motivate & guide them to help the members and students in all possible ways.
5. ICSI Chapters under the jurisdiction of NIRC are helping the members and students in their Cities and acting as bridge between members, students and medical facility providers.
6. Tie-up with various hospitals for vaccinations and medical aid are in process.
7. Webinar on the topic "Health Care Amid Covid -19" conducted for the ICSI Members on 09th May 2021. Large number of members participated in the Webinar and got benefitted from the same.
8. Covid-19 support group has been formed to help the members and students by arranging the verified leads of various medical aids and services providers.
9. NIRC of ICSI has already empanelled 11 Hospitals and Labs to provide Medical Facilities at Concessional Rates to Members & students of NIRC-ICSI, although majority of hospitals & labs are fully occupied and not in a position to provide efficient services amid Covid-19 pandemic times as would have been provided by them in normal circumstances.
10. NIRC organized a Webinar on theme 'Helping Each Other During Pandemic Times' on Tuesday, the 11th May, 2021. CS (Dr.) Shyam Agrawal, Member, Appellate Authority & Past President, ICSI was the special invitee during the webinar. The webinar was attended by good number of participants.
