DIPLOMA IN INTERNAL AUDIT (DIA)
In the scenario where the world is moving towards the objects of self-sufficiency, self-governance and self-reliance, the companies should also move to achieve self-regulation and governance towards better functioning and successful endeavours in coming future. Internal Audit is a mechanism to provide an independent and objective assessment of the effectiveness and efficiency of a company’s operations, specifically its internal control structure. The function of internal audit helps an organization to accomplish its objectives by bringing systematic and disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes. The scope of internal auditing is broad and includes the efficiency of internal control, operations, IT controls, the reliability of financial reporting, deterring and detecting fraud and compliance with laws and regulations. This varied service requires systematic expertise and specialization in conducting internal audit.

Today, Company Secretary plays a pro-active and central role in the governance of the company. The Company Secretary guides the directors in their pursuit of profit and growth and acts with integrity and independence to safeguard the interest of various stakeholders.

Company Secretary being a key functionary in the corporate pyramid with expertise in vivid laws and Corporate Governance can lead the corporate with utmost excellence and efficiency in establishing self-regulation through internal audit. With increasing emphasis on the principles of good governance and compliances, Company Secretaries have a significant role to play. Their services lay foundation for strong systems and procedures which allow for regulatory and legal compliance and thereby facilitate the integration of effective internal audit, internal control and risk management practices for enhanced self-Governance.

This Diploma in Internal Audit will open a vast world of opportunities for company secretaries in the field of internal auditing.

OPPORTUNITIES FOR COMPANY SECRETARY

Section 138 of the Companies Act, 2013 introduced the concept of internal audit to the forefront and has widened its scope to a great extent. The Act has made internal audit of the functions and activities mandatory for all listed companies and certain class of unlisted and private companies with a view to ensure better compliance and governance.

The Company Secretaries being governance professionals are aptly suitable to perform the role of internal auditors and have been inter-alia recognised to be appointed as internal auditors of the company under the provision of Companies Act, 2013.

Therefore, with a view to further develop the skills of Company Secretaries to conduct internal audit including compliance and operational audits, offering solutions for weaknesses in internal controls and verifying the subjective compliance of related laws and regulations, the Institute of Company Secretaries of India (ICSI) and National Institute of Financial Management (NIFM), Faridabad, an autonomous Institution of Ministry of Finance, Government of India, have joined hands to offer a Diploma in Internal Audit. This Diploma in Internal Audit will enhance the skills and knowledge of the members and thus augment their aptitude in demonstrating their knowledge and skills in internal auditing.
