In order to make Businesses more Transparent, Reliable and Accountable, the MCA introduced "The National Guidelines for Responsible Business Conduct, 2018 (NGRBC)" and it is inadvertent for professionals such as Company Secretaries to understand the concept and implication of NGRBC Guidelines vis-à-vis BRR. Keeping the motive of up-skilling its members in the new concept of NGRBC and BRR, the ICSI has come up with Crash Course on Business Responsibility Reporting (BRR).
