## **INSOLVENCY AND BANKRUPTCY CODE (AMENDMENT) ACT, 2019**

The Insolvency and Bankruptcy Code, 2016 (the Code) was enacted with a view to consolidate and amend the laws relating to reorganisation and insolvency resolution of corporate persons, partnership firms and individuals in a time-bound manner for maximisation of value of assets of such persons, to promote entrepreneurship, availability of credit and balance the interests of all the stakeholders including alteration in the order or priority of payment of Government dues and to establish an Insolvency and Bankruptcy Board of India.

The Preamble to the Code lays down the objects of the Code to include “the insolvency resolution” in a time bound manner for maximisation of value of assets in order to balance the interests of all the stakeholders. Concerns have been raised that in some cases extensive litigation is causing undue delays, which may hamper the value maximisation. There is a need to ensure that all creditors are treated fairly, without unduly burdening the Adjudicating Authority whose role is to ensure that the resolution plan complies with the provisions of the Code. Various stakeholders have suggested that if the creditors were treated on an equal footing, when they have different pre-insolvency entitlements, it would adversely impact the cost and availability of credit. Further, views have also been obtained so as to bring clarity on the voting pattern of financial creditors represented by the authorised representative.

In view of the aforesaid difficulties and in order to fill the critical gaps in the corporate insolvency framework, it has become necessary to amend certain provisions of the Insolvency and Bankruptcy Code and the Insolvency and Bankruptcy Code (Amendment) Act, 2019 enacted by the Parliament.

***Insolvency and Bankruptcy Code (Amendment) Act, 2019 inter - alia, provides for the following, namely:-***

However, if the process, including time taken in legal proceedings, is not completed within the said period of three hundred and thirty days, an order requiring the corporate debtor to be liquidated under clause (a) of sub-section (1) of section 33 shall be passed. (i) the operational creditors shall receive an amount that is not less than the liquidation value of their debt or the amount that would have been received if the amount to be distributed under the resolution plan had been distributed in accordance with the order of priorities in section 53 of the Code, whichever is higher;
