INTRODUCTION : The presence of independent directors on the boards and companies is the sine quo non for a strong governance system. Independent directors are entrusted to play a pivotal role in enhancing and maintaining highest standards of corporate governance. The effectiveness of independent directors can be improved to a great extent if they are made aware of the issues, challenges, responsibilities, statutory duties and liabilities involved with the position of independent directors.

In order to promote the concept of independent directors and to provide capacity building opportunities the ICSI decided to launch an online "Certificate Course on independent Directors" broadly encompassing the concept, role, duties and liabilities of independent directors etc.
