Dear Members,

**Sub: The Institute of Company Secretaries of India members facilitated to avail infrastructural facilities at the Overseas Centres – MoU entered into with Institute of Cost Accountants of India**

It give me immense pleasure to inform you that the Institute of Company Secretaries of India has recently entered into a Memorandum of Understanding [MoU] with the Institute of Cost Accountants of India.

In terms of the said MoU, the Institute of Company Secretaries of India and its members may avail the infrastructural facilities of Overseas Centres of the Institute of Cost Accountants of India at Bahrain, Botswana, Canada, Dubai, Kathmandu, Muscat, Tanzania, Washington, and Zambia.

The MoUs also provides for participation of the members of the Institute of Company Secretaries of India in the professional development and/or other continuing education programme organised by the Institute of Cost Accountants of India, and vice-versa, on the same fee as applicable to the members of the organising Institute. The participating members will be eligible to the respective Programme Credit Hours/Continuing Education Hours.

I am sure the above arrangement will benefit the members of both the Institutes in equal measure as it will build synergy, promote mutual relationship and strengthen collective competencies. Accordingly, I take this opportunity and encourage members at the aforesaid locations, and others when travelling there, to make use of the arrangement. I also take this opportunity to thank from the core of my heart the leadership of the Institute of Cost Accountants of India for the bonhomie.

This should turn out to be a win-win proposition for all. Together we win and succeed.

Thanks and Regards

Yours sincerely,

CS (Dr.) Shyam Agrawal
