Constitution of National Company Law Tribunal (NCLT) and National Company Law Appellate Tribunal (NCLAT) will not only bring opportunities for the professionals but also throw challenges in the form of manner of dealing with the cases with NCLT and NCLAT, since the cases that are being dealt with Company Law Board, High Court and IBFR would eventually be transferred to NCLT, besides certain new powers that are conferred on NCLT under Companies Act, 2013. It is essential that professionals are equipped with regulatory updates, drafting aspects, appearance etiquettes etc.

It is the primary agenda of the institute to equip the members to make use of emerging professional opportunities proactively. This National Seminar would not only update the members covering draft NCLT rules by MCA and Companies (Amendment) Bill 2016 etc., but also bring preparedness in drafting and appearance aspects which are equally important as regulatory awareness.
