ICSI Placement Portal

The Institute of Company Secretaries of India has developed and launched its own Placement Portal. Through this portal, one can Post, Search and Apply for suitable Jobs and Trainings. The ICSI Placement Portal is the single point of contact for Recruiters across India and abroad to connect with our members and students and vice-versa.

The ICSI invites you to register to post Job/ Training Vacancies for eligible members/students to apply. A registered entity may also search for eligible candidates as per required attributes namely Additional Skills and Qualification, Salary, Experience, Role, Location etc.

All future openings for Jobs and Trainings would only be posted on the ICSI Placement Portal, where an Organization would create its own profile/ user account and post Job/ Training Vacancies for students and Members to apply, respectively at <https://placement.icsi.edu/corporate> .

Members and students can also register on the portal at <https://placement.icsi.edu> and search for suitable positions.

For any further clarification, please feel free to get in touch at:
