Capacity Building Series on Non-Profit Organisation (NPO) Management/Compliances (Webinar Mode)

For ICSI Members

Capacity Building Series is a new initiative of the Institute for knowledge updation and skill enhancement of the members on contemporary topics.

The series is aimed at equipping members with the theoretical and practical insights to take up the professional opportunities in areas which are less explored.

Non-profit Organisations (NPOs) are created and operated for charitable or socially beneficial purposes. NPOs play a transformative role in society by addressing needs that often fall outside the scope of Government and for-profit sectors. They operate in various sectors like education, healthcare, and rural development, etc. NPOs in India can be registered as Trusts, Societies, or Section 8 Companies. This series will guide members about the concepts and legal provisions, opportunities for Company Secretaries and skill-set required to handle assignments under the NPOs.
