Invitation

*“Bhubaneswar is not merely a city of temples;
it is a living canvas where tradition and modernity converge,
offering timeless lessons of resilience, wisdom and progress.”*

Dear Professional Colleagues,

India's development journey has entered a defining phase, powered by resilient macroeconomic fundamentals, robust domestic demand and sustained investment momentum. Guided by the vision of *Atmanirbhar Bharat*, the nation continues to choose action, reform and people-centric development, laying a strong foundation for inclusive, sustainable and future-ready progress.

Ranking amongst the fastest-growing economies, India's trajectory is propelled by broad-based expansion across manufacturing, services and infrastructure, complemented by continual improvement in industrial output and business activity. A stable external sector, reinforced by an evergoing contribution from the smallest to largest entities, further strengthens India's long-term economic prospects. Despite global uncertainties, investor confidence remains strong, underpinned by policy consistency, structural reforms and a resilient economic framework.

In this dynamic economic and corporate landscape, Company Secretaries occupy a pivotal role ensuring that economic progress is complemented by ethical leadership, regulatory discipline and institutional integrity. With expanding responsibilities in corporate strategy, ESG integration, digital transformation and stakeholder engagement, the profession is redefining its relevance across both national and global contexts.

But what truly strengthens the positioning of any profession is the commitment towards self-development - both in terms of knowledge and the skill-set present.

It is with immense pride and joy that I invite you to the **54th National Convention of Company Secretaries**, scheduled to be held from Saturday, September 5 to Monday, September 7, 2026, on the theme **“NextGen CS - Catalyst of Growth & Guardian of Governance”** at **MAYFAIR Sanctuary, Niladri Vihar**, in the vibrant city of **Bhubaneswar, Odisha**, to further strengthen the very foundation of our professionals and the profession.

Beyond the exchange of knowledge, the Convention will stand as a forum for professional networking, collaboration and collective learning. It will showcase how NextGen CS professionals can drive corporate excellence while upholding transparency, accountability and ethical conduct. The discussions will further emphasize the profession's vital role in advancing India's vision of a resilient, inclusive and innovation-driven economy.

To commemorate this prestigious occasion, the Institute will release a Souvenir featuring messages of dignitaries, theme-based articles, sponsored advertisements and programme highlights. As we look forward to your rich insight in the form of articles, we also seek your esteemed support in mobilizing sponsorships and advertisements to ensure the Convention's grand success.

Together, let us celebrate the spirit of governance, embrace the opportunities of growth and reaffirm our collective commitment to shaping a future-ready profession.

Looking forward to welcoming you at the *Temple City of India!*

Warm regards,

CS Pawan G. Chandak
President, The ICSI

Theme & Sub-themes

"NextGen CS - Catalyst of Growth & Guardian of Governance"

Mere good governance is not enough; it has to be pro-people and pro-active. Good governance is putting people at the centre of development process.

- Shri Narendra Modi, Hon'ble Prime Minister

India stands at the threshold of a new era of economic transformation, where innovation, sustainability and responsible governance are emerging as the defining pillars of corporate excellence. At the heart of this transformation stands the Company Secretary, a professional whose role has evolved far beyond compliance to the one who ignites growth, safeguards governance and embodies the spirit of responsibility and foresight.

The Company Secretary is not merely a compliance officer but a catalyst of enterprise. From empowering organizations to thrive in a competitive global economy to ensuring that the values of transparency and accountability remain uncompromised, Company Secretaries serve as the voice of integrity and the champion of responsible growth. In every boardroom and at every strategic crossroads, they stand as the trusted advisors, enabling informed decision making and strengthening governance frameworks.

As India marches confidently towards its vision of becoming a global economic powerhouse, the role of Company Secretaries assumes greater significance. The NextGen CS seamlessly bridges tradition with technology, responsibility with ambition and governance with growth. They are equipped to harness digital transformation, embrace ESG imperatives and strengthen institutional frameworks that will define the future of Corporate India.

This Convention celebrates the indomitable evolution of the profession, from compliance custodians to strategic leaders, from advisors to visionaries and from enablers of growth to guardians of governance. It is a call to embrace the future with courage, to lead with wisdom and to uphold the values that define India's corporate excellence.
