Availing Facility of Integrated Filing Mechanism with Stock Exchanges

- 1) The Securities & Exchange Board of India (SEBI) vide Regulation 10(1A) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 enabled integrated filing of periodic reports, statements, documents and any other information required to be filed by a listed entity.
- 2) The Bombay Stock Exchange Ltd. (BSE) and National Stock Exchange of India Ltd. (NSE) have also issued circulars from time to time, updating the list of disclosures for which single filing system through Application Programming Interface (API) - based integration between stock exchanges is now available.
- 3) The updated lists of disclosures are given in the following links:

- 4) Members are requested to avoid multiple filings of the same disclosure on both the Exchanges.
- 5) The single filing system is applicable to the entities which are listed on both the BSE and NSE. The entities exclusively listed on respective Stock Exchanges will continue to file the disclosure on their respective Stock Exchanges where they are listed.

Members are also invited to provide feedback to the Institute on practical challenges being faced in implementation, to facilitate further representation to regulators and exchanges at consultation@icsi.edu.
