“Caring for seniors is perhaps the greatest responsibility we have. Those who have walked before us have given so much and made possible the life we all enjoy.”

- Senator John Hoeven

Dear Professional Colleague,

The date of 21st August is celebrated as World Senior Citizen's Day globally and the quote above is a reason befitting enough of this celebration. The contribution of Senior Citizens in any society at a macro level and any organization or institution at a micro level can be aptly considered to be on similar notes as the Foundation of that society, organization or entity.

Having been in the Indian diaspora for more than five decades, the Institute of Company Secretaries of India cannot beg to differ too. The standing of this Institute, its present day stature are a resultant of the thought, intellect, hard work, perseverance, patience and grit of our founding fathers and all the members who have been a part of this Institution till date. Our senior and super senior members have been a part of the growth journey of our beloved institute and we truly are gratuitous towards each one of them.

Utilizing this World Senior Citizen's Day as an opportunity to thank the Senior Citizens or Senior Members of ICSI, this year on this day, the ICSI plans to reach out to all its current members who are above the age of 80 years. The intent is to recognize and acknowledge their knowledge and their contribution over the years during their lifetime for the growth and development of the profession in particular and to the society in general. It is a time to appreciate their accomplishments and achievements. ICSI wishes to know their wellbeing and any assistance that they may require.

On behalf of ICSI, we wish to sincerely thank our Super Senior members and urge them to continue their patronage and support towards the Institute. We wish to see your continued participation in the profession so as to enlighten and guide the younger members with your invaluable wisdom and treasure trove of experience.

We wish all super senior member good health and longevity. Our heartfelt gratitude and sincere greetings to you on this occasion.

Warm Regards,

(CS Ashish Garg)

President
