PRESS RELEASE

Chief of Bureau

9 May 2025

Unlock new career opportunities with the ICSI's two new full-time Programs

The Institute of Company Secretaries of India has introduced two new programs for its students - a **Full-time MBA in Maritime Regulations and Compliance Management** at **Gujarat Maritime University**, and the **CSMC- Professional Program** at **NISM**.

Expressing his delight, **CS Dhananjay Shukla, President, the ICSI** said “these programs would significantly enhance career trajectories for CS professionals and equip them with the expertise needed to navigate the evolving demands of marine and financial sectors. All eligible students aspiring for a distinguished career path and new growth opportunities should seize this opportunity and enroll soon.”

While the **Full-time MBA in Maritime Regulations and Compliance Management** is aimed at providing opportunities in maritime industry, the **Joint Certification Course on Corporate and Securities Markets Compliances (CSMC)**, will offer specialized insight into the securities markets.

Maritime Industry makes significant contribution to India's trade and commerce, handling around 95% of trade by volume and 70% by value. The two-year Integrated MBA in Maritime Regulations and Compliance Management, at Gujarat Maritime University campus, will be a unique blend of CS curriculum and maritime laws and regulatory practices. This joint collaboration will give a hands-on exposure to the students, enhance their skills and improve their employability in areas of maritime laws and shipping management

Students registered with the ICSI are eligible to apply for the entrance examination of this full time MBA course, the details of which are available at <https://www.icsi.edu/mba-gmu/>. Last date for application is **31 May 2025**.

The ICSI inked an MoU with National Institute of Securities Markets (NISM) in July 2024 and introduced the **CSMC Executive Program** exclusively for the students of ICSI. This year the ICSI initiated registration for the Residential Integrated **CSMC - Professional Program**. Both Certifications- **Corporate and Securities Markets Compliances– Executive (CSMC-Executive)**; and **Corporate and Securities Markets Compliances– Professional (CSMC-Professional)**, are being offered at the NISM campus.

ICSI students, who have cleared CS Executive Program and enrolled in the CS Professional Program or Cleared CSMC Executive Program offered by NISM, are eligible to register for CSMC Professional Program, details of which are available at <https://www.icsi.edu/home/icsi-nism/>. Last date for registration is **30 May 2025**.
