Subject: Request for relaxation in levy of additional fee in filing of 46 company forms (second set) launched on MCA-21 V3 portal due date of which falls till February 28, 2023

Respected Sir,

This is with regard to the initiative of the Ministry of Corporate Affairs (MCA) towards digital transformation from MCA-21 V2 to the next stage of MCA-21 V3 platform. Under the transition, the first set of 9 company forms were launched on August 31, 2022 and second set of 56 company forms including 10 incorporation related forms was launched on January 23, 2023.

In this regard, we wish to bring to your kind notice the practical difficulties being faced by stakeholders during the transition period with regard to submission and re-submission of forms. Also, the professionals are in the process of registering and migrating themselves as Business User in the new system. Stakeholders have shared certain technical issues which are being faced while filing of e-forms, the same is attached herewith for reference.

In view of the above issues and concerns, we request you to kindly allow filing of Forms without levy of additional fee for recently launched 46 e-forms (Second set of e-forms) under the Companies Act, 2013, in cases where the due dates fall during the period between 23.01.2023 and 28.02.2023.

We hope that the above submission would be considered favorably.

We shall be pleased to provide any further information or clarification in this regard on hearing from your goodself.

Thanking You,

Yours faithfully,

(CS Manish Gupta)
President
