Amendment vide Finance Act, 2022

1. Definition of “books or books of account” [Section 2(12A)]

Definition of the term “slump sale” [Section 2(42C)]

- As per clause 12(A), books or books of account includes ledgers, day books, cash books, account books and other books, whether kept in written form or as print outs of data stored in a floppy, disc, tape, or any other form of electro-magnetic storage device. The words in the electronic form or in the digital form are added after the terms in written form or as print outs of data in the definition of books or books of account under section 2(12A). This amendment has been brought about to include all records even in digital form such as those maintained using block chain technology, etc.
- Slump sale is defined in clause (42C) of section 2 of the Act, as the transfer of one or more undertaking, by any means, for a lump sum consideration without values being assigned to individual assets and liabilities in such sales. Vide the Finance Act, 2021, the definition of “slump sale” was amended to expand its scope to cover all forms of transfer under slump sale. However, inadvertently, in the last sentence there is reference to the word “sales” instead of “transfer”. Therefore, consequential amendment has been made by amending the provision of clause (42C) of section 2 of the Act, to substitute the word “sales” with the word “transfer”.

2. Income exempt for trusts [Amendment to Section 10] Amendment to fifteenth proviso Amendment to nineteenth proviso

As per section 10(23C), any income received by a fund or institution established for charitable purposes (approved by the prescribed Authority) or a trust or education wholly for religious or charitable purposes shall be exempt from the provisions of the Act.

This clause has been amended to also include the words provisionally approved. Thus, the scope of the said sub-section has been extended to funds/institutions which have also been granted provisional approval. Consequently, even provisional approval granted to an institution, fund, etc., can now be withdrawn. Further, where any such fund or institution is notified under section 10(46), the approval or provisional approval granted to the fund or institution shall become inoperative from the date of the notification to the body under the said section.

3. Income exempt for trusts [Amendment to Section 10]

Amendment made by Finance Act, 2022 also provides that where the income of any fund or institution referred to in clauses (iv) to (via) of section 10(23C) has been applied for the benefit of any specified persons defined under section 13(3), such income or property shall be deemed to be the income of such person of the previous year in which it is applied.

For the words, ‘such person’, the words such fund or institution or trust or university or other educational institution or hospital or other medical institution is substituted. Thus, the application of the income by the

fund, trust, etc., for the benefit of the persons specified in section 13(3), will be deemed to be the income of such fund, trust, etc., of previous year in which it is so applied.

4. Incomes not included in total income pertaining to International Financial Service Center (IFSC) [Amendment to Section 10]

Section 10(4D) provides that specified funds shall be eligible to claim exemption with respect to income accrued or arisen or received by it which is attributable to units held by a non-resident (not being a PE in India) or to the investment division of an offshore banking unit. Such exemption is available in respect of income from transfer of a capital asset as referred to in section 47(viiab) on a recognised stock exchange in an IFSC, securities (other than shares of companies resident in India) and income from securities issued by a non-resident where such income is not deemed to accrue or arise in India and securitization trusts (chargeable under Profits under Business or Profession).

Section 10(4D) has been amended to provide for a situation where a person, being a non-resident in the previous year in which the units were issued, becomes a resident during any subsequent previous year. In such a situation, the provisions for income exclusion under section 10(4D) shall continue to apply to the specified fund, provided that the aggregate value and the number of the units held by such resident does not exceed 5% of the total value and number of the units issued, and such other prescribed criteria are satisfied.

5. Withdrawal of exemption under clauses (8), (8A), (8B) and (9) of section 10 of the Income-tax Act, 1961

Clause (8) of the section 10 of the Act provides for exemption to the income of an individual who is assigned duties in India in connection with any co-operative technical assistance programmes and projects

Clause (8A) of the said section provides for exemption on the remuneration or fee received by a consultant, directly or indirectly out of the funds made available to an international organisation (agency) under a technical assistance grant agreement between the agency and the Government of a foreign state. The said clause also provides exemption to such consultant in respect of any income accruing or arising outside India (which is not deemed to accrue or arise in India), in respect of which the consultant is required to pay income or social security tax to the Government of the country of his or its origin.

Clause (8B) of the said section provides for exemption to an individual who is an employee of the consultant as referred to in clause (8A) of section 10. Such individuals are those who are assigned duties in India in connection with any technical assistance programme and project.

Clause (9) of the said section provides for exemption to the income of the family members of any individual or consultant as referred in clause (8), clause (8A) and clause (8B), who accompanies such individual or consultant to India. The exemption is provided to income accruing or arising outside India (which is not deemed to accrue or arise in India), in respect of which such member is required to pay any income or social security tax to the Government of that foreign state or country of origin of such member.

Accordingly, an amendment has been made clauses (8), (8A), (8B) and (9) of section 10 of the Act to provide that the provisions of the said clauses shall not apply to remuneration, fee or income of the previous year relevant to the assessment year beginning on or after the 1st day of April, 2023

6. Amendment to sub-section (1A) of section 35

Sub-section (1A) to section 35 of the Act was inserted by the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020 with effect from the 1st April, 2021. It mandated the research association, university, college or other institution referred to in clause (ii) or clause (iii) or the company referred to in clause (ia) of sub-section (1) of section 35 of the Act to file the statement of donations received by these entities from the donors. However, an inadvertent drafting error has crept in the sub-section. The present language reads that no deduction shall be allowed to the research association, university, college or other institution referred to in clause (ii) or clause (iii) or the company referred to in clause (ia) of sub-section (1) of section 35, if such statement of donations is not filed. However, that was not the intention of the law. The deduction claimed by the donor needs to be disallowed in such cases. In section 80G of the Act similar provisions were introduced by the Taxation and Other Laws (Relaxation and Amendment of Certain Provisions) Act, 2020 with effect from the 1st April, 2021, whereby the deduction claimed by the donor under this section was disallowed in case the donee fails to furnish the statement of donations.

Hence, an amendment has been made in sub-section (1A) of section 35 of the Act to provide that the deduction claimed by the donor with respect to the donation given to any research association, university, college or other institution referred to in clause (ii) or clause (iii) or the company referred to in clause (ia) of sub-section (1) of section 35 of the Act shall be disallowed unless such research association, university, college or other institution or company files the statement of donations.

7. Reduction of Goodwill from block of assets to be considered as ‘transfer’

From the assessment year 2021-2022, goodwill of a business or profession is not considered as a depreciable asset and there would not be any depreciation on goodwill of a business or profession in any situation. In case where goodwill is purchased by an assessee, the purchase price of the goodwill will continue to be considered as cost of acquisition for the purpose of computation of capital gains under section 48 of the Act subject to the condition that in case depreciation was obtained by the assessee in relation to such goodwill prior to the assessment year 2021-22, then the depreciation so obtained by the assessee shall be reduced from the amount of the purchase price of the goodwill.

Accordingly, it has been clarified that for the purposes of section 50 of the Act, reduction of the amount of goodwill of a business or profession, from the block of asset in accordance with sub item (B) of item (ii) of sub-clause (c) of clause (6) of section 43, shall be deemed to be transfer.

Since the amendment to the effect that goodwill of a business or profession is not a depreciable asset has been made applicable from assessment year 2021-2022 the above amendment will take effect retrospectively from 1st April 2021 and will accordingly apply in relation to the assessment year 2021-22 and subsequent assessment years.

8. Clarification regarding deduction on payment of interest only on actual payment [Section 43B]

Section 43B of the Act provides for certain deductions to be allowed only on actual payment. Explanation 3C, 3CA and 3D of this section provides that a deduction of any sum, being interest payable on loan or borrowing from specified financial institution/NBFC/scheduled bank or a co-operative bank under clause

(d), clause (da), and clause (e) of this section respectively, shall be allowed if such interest has been actually paid and any interest referred to in these clauses which has been converted into a loan or borrowing or advance shall not be deemed to have been actually paid.

An amendment has been made in Explanation 3C, Explanation 3CA and Explanation 3D of section 43B to provide that conversion of interest payable under clause (d), clause (da), and clause (e) of section 43B, into debenture or any other instrument by which liability to pay is deferred to a future date, shall also not be deemed to have been actually paid.

9. Income from other sources [Amendment to Section 56]

Section 56(2)(x)(c) provides that when a person receives gifts or acquires any immovable property or specified moveable assets either without consideration or inadequate consideration, the aggregate fair market value of the property being more than INR 50,000 or received for a consideration which is lower than the fair market value by more than INR 50,000, shall be taxable in the hands of the recipient under income from other sources. Provided that the provisions of the above section shall not apply to sum of money or property received from a trust or institution, etc., registered under section 10(23C), 12A or section 12AA or section 12AB.

A second proviso has been inserted to section 56(2)(x)(c), it provides that the exemptions under the first proviso to section 56(2)(x)(c) in respect of receipt of sum of money or property from a trust or an educational institution referred above shall not apply if the property or money has been received by the persons referred to under section 13(3).

The persons defined under section 13(3) include the author or founder of the trust or institution, a person with significant contribution exceeding INR 50,000, any trustee of the trust or any relative of the above-mentioned persons or any concern in which such person has substantial interest.

10. Exemption of amount received for medical treatment and on account of death due to COVID-19 [Section 17(2) & 56(2)(x)]

Clause (x) of sub-section (2) of section 56 of the Income-tax Act, 1961 (the Act) inter alia, provides that where any person receives, in any previous year, from any person or persons any sum of money, without consideration, the aggregate value of which exceeds fifty thousand rupees, the whole of the aggregate value of such sum shall be the income of the person receiving such sum. However, certain exceptions have been provided in the clause for transaction specified therein.

The Finance Ministry has released a press statement dated: 25.06.2021 where it was announced that income-tax shall not be charged on the amount received by a taxpayer for medical treatment from employer or from any person for treatment of COVID-19 during FY 2019-20 and subsequent years. It was further announced that in order to provide relief to the family members of such taxpayer, income-tax exemption shall be provided to ex-gratia payment received by family members of a person from the employer of such person or from other person on the death of the person on account of COVID-19 during FY 2019-20 and subsequent years. Also, it was stated that the exemption shall be allowed without any limit for the amount received from the employer and the exemption shall be limited to Rs. 10 lakh in aggregate for the amount received from any other persons.

In order to provide the relief as stated in the press statement, an amendment has been made in clause (2) of section 17 and to insert a new sub-clause in the proviso to state that any sum paid by the employer in respect of any expenditure actually incurred by the employee on his medical treatment or treatment of any member of his family in respect of any illness relating to COVID-19 subject to such conditions, as may be notified by the Central Government, shall not be forming part of “perquisite”.

Further, an amend has been made to the proviso to Clause (x) of sub-section (2) of section 56 and insert two new clauses in the proviso so as to provide that-

(i) any sum of money received by an individual, from any person, in respect of any expenditure actually incurred by him on his medical treatment or treatment of any member of his family, in respect of any illness related to COVID-19 subject to such conditions, as may be notified by the Central Government in this behalf, shall not be the income of such person;

(ii) any sum of money received by a member of the family of a deceased person, from the employer of the deceased person (without limit), or from any other person or persons to the extent that such sum or aggregate of such sums does not exceed ten lakh rupees, where the cause of death of such person is illness relating to COVID-19 and the payment is, received within twelve months from the date of death of such person, and subject to such other conditions, as may be notified by the Central Government in this behalf, shall not be the income of such person.

11. Cash credits [Section 68]

Section 68 of the Act provides that where any sum is found to be credited in the books of an assessee maintained for any previous year, and the assessee offers no explanation about the nature and source thereof or the explanation offered by him is not, in the opinion of the Assessing Officer, satisfactory, the sum so credited may be charged to income-tax as the income of the assessee of that previous year.

The onus of satisfactorily explaining such credits remains on the person in whose books such sum is credited. If such person fails to offer an explanation or the explanation is not found to be satisfactory then the sum is added to the total income of the person.

An amendment has been made in the provisions of section 68 of the Act so as to provide that the nature and source of any sum, whether in form of loan or borrowing, or any other liability credited in the books of an assessee shall be treated as explained only if the source of funds is also explained in the hands of the creditor or entry provider. However, this additional onus of proof of satisfactorily explaining the source in the hands of the creditor, would not apply if the creditor is a well regulated entity, i.e., it is a Venture Capital Fund, Venture Capital Company registered with SEBI.

12. Facilitating strategic disinvestment of public sector companies [Section 79]

Section 79 of the Act provides for carry forward and set-off of losses in case of certain companies. Sub-section (1) of the said section, inter-alia, provides that where a change in shareholding has taken place during the previous year in the case of a company, not being a company in which the public are substantially interested, no loss incurred in any year prior to the previous year shall be carried forward and set off against the income of the previous year, unless on the last day of the previous year, the shares of the company carrying not less than fifty-one per cent of the voting power were beneficially held by persons

who beneficially held shares of the company carrying not less than fifty-one per cent of the voting power on the last day of year or years in which the loss was incurred. Sub-section (2) of the said section provides certain circumstances in which the provisions of sub-section (1) shall not apply.

In order to facilitate the strategic disinvestment of public sector companies, an amendment has been made in section 79 of the Act to provide that the provisions of sub-section (1) of section 79 shall not apply to an erstwhile public sector company subject to the condition that the ultimate holding company of such erstwhile public sector company, immediately after the completion of strategic disinvestment, continues to hold, directly or through its subsidiary or subsidiaries, at least fifty one per cent of the voting power of the erstwhile public sector company in aggregate.

Further it has been provided that if the above condition is not complied with in any previous year after the completion of strategic disinvestment, the provisions of sub-section (1) shall apply for such previous year and subsequent previous years.

13. Set off of loss in search cases [Section 79A]

Chapter VI of the Act deals with aggregation of income and set off or carry forward of loss. In Sections 70-80 of the Act there are specific provisions relating to set off or carry forward and set off of losses while computing the income under various heads and with respect to different classes of persons.

It is noticed that in some cases, assessee claim set off of losses or unabsorbed depreciation, against undisclosed income corresponding to difference in stock, undervaluation of stock, unaccounted cash payment etc. which is detected during the course of search or survey proceedings. Currently there is no provision in the Act to disallow such set-off and no distinction is made between undisclosed income which was detected owing to search & seizure or survey or requisition proceedings and income assessed in scrutiny assessment in the regular course of assessment though for incomes falling in section 68, section 69, section 69B etc., such restriction is there.

Therefore, an amendment has been made by inserting a new section 79A in the Act to provide that notwithstanding anything contained in the Act, where consequent to a search initiated under section 132 or a requisition made under section 132A or a survey conducted under section 133A, other than under sub-section (2A) of section 133A, the total income of any previous year of an assessee includes any undisclosed income, no set off, against such undisclosed income, of any loss, whether brought forward or otherwise, or unabsorbed depreciation under sub-section (2) of section 32 shall be allowed to the assessee under any provision of this Act in computing his total income for such previous year.

14. Incentives to National Pension System (NPS) subscribers for state government employees [Section 80CCD]

Under the existing provisions of the Act, any contribution by the Central Government or any other employer to the account referred to in section 80CCD of the Act (NPS account), shall be allowed as a deduction to the assessee in the computation of his total income, if it does not exceed 14% of his salary where such contribution is made by the Central Government. This limit is presently 10% of his salary where such contribution is made by any other employer. The State Governments were given an option to raise the contribution to 14% w.e.f 01.04.2019 on their own volition, based on their own internal approvals and notifications, without seeking the approval of the Pension Fund Regulatory and Development Authority.

An amendment has been made to increase the limit of deduction under section 80CCD of the Act from the existing ten per cent to fourteen per cent in respect of contribution made by the State Government to the account of its employee.

15. Condition of releasing of annuity to a disabled person [Section 80DD]

The existing provision of section 80DD, inter alia, provide for a deduction to an individual or HUF, who is a resident in India, in respect of

- (a) expenditure for the medical treatment (including nursing), training and rehabilitation of a dependant, being a person with disability; or
- (b) amount paid to LIC or any other insurer or administrator or specified company in respect of a scheme for the maintenance of a disabled dependant.

Sub-section (2) of the aforesaid section provides that the deduction shall be allowed only if the payment of annuity or lump sum amount is made to the benefit of the dependant, in the event of the death of the individual or the member of the HUF in whose name subscription to the scheme has been made.

Sub-section (3) of the aforesaid section provides that if the dependant with disability, predeceases the individual or the member of the HUF, the amount deposited in such scheme shall be deemed to be the income of the assessee of the previous year in which such amount is received by the assessee and shall accordingly be chargeable to tax as the income of that previous year.

An amendment has been made to allow the deduction under the said section also during the lifetime, i.e., upon attaining age of sixty years or more of the individual or the member of the HUF in whose name subscription to the scheme has been made and where payment or deposit has been discontinued. Further, the provisions of sub-section (3) shall not apply to the amount received by the dependant, before his death, by way of annuity or lump sum by application of the condition referred to in the amendment.

16. Extension of date of incorporation for eligible start up for exemption [Section 80-IAC]

The existing provisions of the section 80-IAC of the Act inter alia, provide for a deduction of an amount equal to one hundred per cent of the profits and gains derived from an eligible business by an eligible start-up for three consecutive assessment years out of ten years, beginning from the year of incorporation, at the option of the assesses subject to the condition that,-

- (i) the total turnover of its business does not exceed one hundred crore rupees,
- (ii) it is holding a certificate of eligible business from the Inter-Ministerial Board of Certification, and
- (iii) it is incorporated on or after 1st day of April, 2016 but before 1st day of April 2022

An amendment has been made to the provisions of section 80-IAC of the Act to extend the period of incorporation of eligible start-ups to 31st March, 2023.

17. Provisions pertaining to bonus stripping and dividend stripping to be made applicable to securities and units

Section 94 of the Act contains anti avoidance provisions to deal with transactions in securities and units of mutual fund which, inter-alia, include dividend stripping and bonus stripping.

However, the current provisions of sub-section (8) of section 94 of the Act do not apply to bonus stripping undertaken in case of securities. It is also not applicable to units of Infrastructure Investment Trust (InvIT) or Real Estate Investment Trust (REIT) or Alternative Investment Funds (AIFs) as the definition of the term “unit” has not been modified subsequent to introduction of provisions relating to RETIs, InvITs etc. Further, the current provisions of sub-section (7) of section 94 of the Act, i.e. provisions pertaining to dividend stripping, are not applicable to the units of new pooled investment vehicles such as InvIT or REIT or AIFs.

In view of the above, an amendment has been made in sub-section (8) of section 94, pertaining to the prevention of tax evasion through bonus stripping, so as to make the said provision applicable to securities as well.

Further, an amendment has been made in the Explanation to the said section to modify the definition of unit, so as to include units of business trusts such as InvIT, REIT and AIF, within the definition of units.

18. Withdrawal of concessional rate of taxation on dividend income under section 115BBD

Section 115BBD of the Act provides for a concessional rate of tax of 15 % on the dividend income received by an Indian company from a foreign company in which the said Indian company holds 26 % or more in nominal value of equity shares (specified foreign company). This rate was aligned to the rate of tax provided under section 115-O of the Act

Finance Act, 2020 abolished the dividend distribution tax provided in section 115-O to, inter-alia, provide that dividend shall be taxed in the hands of the shareholder at applicable rates plus surcharge and cess.

In order to provide parity in the tax treatment in case of dividends received by Indian companies from specified foreign companies vis a vis dividend received from domestic companies, it is proposed to amend section 115BBD of the Act to provide that the provisions of this section shall not apply to any assessment year beginning on or after the 1st day of April, 2023.

19. Tax on income from virtual digital assets [Amendment to Section 115BBH]

As per the newly introduced section 115BBH of the Income Tax Act, the income in respect of transfer of a virtual digital asset in the hands of the assessee shall be taxed at a flat rate of 30% without the benefit of any deductions except the cost of acquisition or set off of losses.

Where the total income of an assessee includes any income from the transfer of any virtual digital asset, the income-tax payable shall be the aggregate of:

- (a) the amount of income-tax calculated on the income from transfer of such virtual digital asset at the rate of thirty per cent.; and
- (b) the amount of income-tax with which the assessee would have been chargeable, had the total income of the assessee been reduced by the income referred to in clause (a).

After the words “asset”, the words “notwithstanding anything contained in any other provision of this Act” have been added implying that the sections of 115BBH override any other provisions of the Act governing the same income. Thus, income from transfer of virtual digital assets shall be computed and taxed as per section 115BBH, though such income may be taxable under other heads of income. Further, section 115BBH(2) has been amended to provide that in computing income under this section, the cost of acquisition if any is to be deducted. Thus, income from virtual digital assets shall be computed even if the cost of acquisition is Nil or cannot be computed. Further the scope of virtual digital assets has been clarified to include all forms of digital assets whether capital or not.

It has been clarified that no set off of losses under any provision of the Act shall be allowed including computing income under the said section for different classes of virtual digital assets. The word other has been omitted. Further, a new sub section (3) has been inserted which states that the definition of transfer as stated in section 2(47) is to be applied for this section, whether the virtual digital assets are held as capital assets or not.

20. Extension of the last date for commencement of manufacturing or production, under section 115BAB, from 31.03.2023 to 31.03.2024

Section 115BAB of the Income-tax Act provides for an option of concessional rate of taxation @ 15 % for new domestic manufacturing companies provided that they do not avail of any specified incentives or deductions and fulfill certain other conditions.

Sub-section (2) of section 115BAB of the Act contains the conditions required to be fulfilled by such companies. Clause (a) of said sub-section (2) provides that the new domestic manufacturing company is required to be set up and registered on or after 01.10.2019, and is required to commence manufacturing or production of an article or thing on or before 31st March, 2023.

An amendment has been made in section 115BAB so as to extend the date of commencement of manufacturing or production of an article or thing, from 31st March, 2023 to 31st March, 2024.

21. Rationalization of provisions of the Act to promote the growth of co-operative societies [Section 115JC]

Section 115JC of the Act, inter alia, provides for the alternate minimum tax (AMT) payable by co-operative societies, which is at the rate of 18.5%. However, vide the Taxation Laws (Amendment) Act, 2019, the Minimum Alternate Tax (MAT) rate for companies has been reduced to 15%.

Therefore, in order to provide parity between co-operative societies and companies, An amendment has been made to modify sub-section (4) of section 115JC to reduce the AMT rate at which co-operative societies are liable to pay income-tax to 15%. Consequential amendment is also proposed in clause (b) of section 115JF in relation to the definition of “alternate minimum tax”.

22. Updated Return [Section 139(8A)]

Section 139 provides for the circumstances and process for filing of returns by individuals and other assesses. Section 139 has been amended to provide that any assessee, irrespective of the fact whether he/she

has filed a return under the respective provisions of the section, may opt to furnish an updated return with additional tax under the sub-section 8A in respect of the income under which he/she is assessable under the Act, for the previous year relevant to such assessment year. However, such a submission is permitted only within 24 months from the end of the relevant assessment year pertaining to the previous year.

Updated return could not be filed in respect of cases where search is initiated, survey is conducted or requisition is made, for that assessment year and two assessment years preceding such assessment year. The words two assessment years have been substituted and the words 'any assessment year' are inserted. Thus, in such cases the assessee cannot file updated return of income for any of the preceding assessment years.

Further wherein a return of loss is filed and verified under sub section (1) in respect of losses sustained in any previous year, the assessee shall be permitted such updated return provided the updated return is a return of income. The words used in the amendment are 'return of income', probably what it means is a return of income which determines income chargeable to tax.

Further the provisions of subsection 8A shall not apply where the return has an effect of generating a loss, decreasing the tax liability or generating or increasing the refund for the assessee on the basis of the return/s filed under subsections (1), (4) or (5), or the return is filed in response to a search initiated under section 132, requisition under section 132A, survey under section 133A or a notice issued under the above mentioned sections, for the assessment year relevant to the previous year in which the search or requisition is initiated and/or two assessment years preceding it.

In addition, filing of an updated return is not permitted where any proceeding for assessment or reassessment or re-computation of income is pending or has been completed for the relevant AY, information under section 90/90A has been received in respect of the said assessee or prosecution proceedings under Chapter XXII have been initiated against him or her.

Section 139 has also been amended to provide that wherein any loss carried forward under Chapter VI or unabsorbed depreciation carried forward under section 32 or tax credit carried forward under section 115JAA and 115JD is to be reduced for any subsequent year as a result of filing an updated return under section 139(8A) for a previous year, an updated return shall also be furnished for each such subsequent previous year (for which the impact of the reduction is effected).

23. Additional Tax Liability for filing Updated Return [Section 140B]

a) Where no return furnished earlier: where no return of income under sub-section (1) or sub-section (4) of section 139 has been furnished by an assessee, he shall before furnishing the return under sub-section (8A) of section 139, be liable to pay the tax due together with interest and fee payable under any provision of the Act for any delay in furnishing the return or any default or delay in payment of advance tax, along with the payment of additional tax.

b) where, return of income under sub-section (1) or sub-section (4) or sub-section (5) of section 139 (referred to as earlier return) has been furnished by an assessee: he shall before furnishing the return under sub-section (8A) of section 139, be liable to pay the tax due together with interest and fee payable under any provision of this Act for any delay in furnishing the return or any default or delay in payment of advance tax, along with the payment of additional tax, as reduced by the amount of interest paid under the provisions of the Act in the earlier return.

The additional tax, payable at the time of furnishing the return under sub-section (8A) of section 139, shall be equal to twenty-five per cent of aggregate of tax and interest payable, as determined. If such return is furnished after expiry of the time available under sub-section (4) or sub-section (5) of section 139 and before completion of period of twelve months from the end of the relevant assessment year. However, if such return is furnished after the expiry of twelve months from the end of the relevant assessment year but before completion of the period of twenty-four months from the end of the relevant assessment year, the additional tax payable shall be fifty per cent of aggregate of tax and interest payable, as determined. It is also clarified that for the purposes of computation of “additional income-tax”, tax shall include surcharge and cess, by whatever name called, on such tax.

Such updated return shall also be accompanied by proof of payment of such tax, additional tax, interest and fee.

24. Rationalization of provisions relating to assessment and reassessment

The Finance Act, 2021 amended the procedure for assessment or reassessment of income in the Act with effect from the 1st April, 2021. The said amendment modified, inter alia, sections 147, section 148, section 149 and also introduced a new section 148A in the Act. In cases where search is initiated under section 132 of the Act or books of account, other documents or any assets are requisitioned under section 132A of the Act, on or after 1st April, 2021, assessment or reassessment is now made under sections 143 or 144 or 147 of the Act after the Finance Act, 2021.

As part of the government’s policy related to simplification of procedures under the Act, an amendment has been made by:

- (i) by inserting a new proviso to the effect that requirement for approval to issue notice under section 148 shall not be required to be taken by the Assessing Officer if he has passed an order under 148A(d) with prior approval in that case stating that the income is escaping assessment.
- (ii) omitting the requirement of approval of specified authority in clause (b) of section 148A.

25. Time limit for completion of assessment, reassessment and re-computation [Amendment to Section 153(1)]

Section 153(1) provides that the time limit for completion of assessment under section 143 or section 144 would be 21 months from the end of the assessment year (‘AY’) in which the income was first assessable.

The second proviso to this section has been amended to provide that in case of an order of assessment relating to AY 2019-20, the time limit would be 12 months instead of 21 months and in case of that relating to AY 2020-21, the time limit would be 18 months instead of 21 months. The same shall be applicable from 1st April 2021.

26. Time limit for completion of assessment under section 153A [Amendment to Section 153B(1)]

Section 153B(1) provides the time limit for completion of assessment or reassessment in search or requisition cases. A new sixth proviso to section 153B (1) has been inserted to provide that the assessment in the below cases for AY 2021-22 shall be made on or before 30 September 2022:

- in case where the last of the authorisations for search under section 132 or requisition under section 132A was executed during financial year ('FY') 2020-21, or
- in case of other person referred to in section 153C, the books of account or document or asset seized or requisitioned were handed over under section 153C to the Assessing Officer ('AO') having jurisdiction over such other person during FY 2020-21.

27. Amendment to Section 155 [Deduction in respect of Surcharge and Education Cess]

The Bill proposed to clarify that the term 'tax' includes and shall be deemed to have always included any surcharge or cess, by whatever name called, and thereby the same is not a deductible expenditure as stated in section 40(a)(ii).

'Surcharge' or 'cess' claimed as deduction in any previous year deemed to be under-reporting of income. Section 155 is amended to include sub-section (18) to provide that deduction in respect of surcharge or cess which is not allowable as deduction under section 40, claimed and been allowed to an assessee in any previous year ('PY') shall be deemed to be under-reported income of the assessee for such PY, for the purpose of section 270A(3).

The provisions of section 270A(6) relating to exceptions for under-reported income would not be applicable to this sub-section. The AO shall re-compute total income of the assessee for such PY and make the necessary amendment. The provisions of section 154 regarding rectification of mistake shall apply to the same and the period of 4 years specified in section.

Section 154(7), which relates to time limit for passing of order of rectification, would be reckoned from the end of PY 2021-22. The claim shall not be deemed to be under-reported income for the purposes of section 270A(3), in case the following requirements are fulfilled:

- Assessee makes an application to the AO in prescribed form and within prescribed time,
- Assessee has requested for re-computation of the total income of the PY without allowing deduction of surcharge or cess, and Assessee pays amount due thereon within the specified time.

28. Succession to business otherwise than on death [Amendment to Section 170]

This section pertains to Succession to business otherwise than on death. A new sub-section 2A was inserted to provide that in case of a business reorganization, the assessment or reassessment or other proceedings, made on the predecessor during the course of pendency of such reorganisation, shall be deemed to have been made on the successor.

An explanation was also inserted to define the terms 'business organisation' and 'pendency'. An amendment is made to sub-section 2A to include: where there is succession, the assessment or reassessment or any other proceedings, made or initiated on the predecessor during the course of pendency of such succession, shall be deemed to have been made or initiated on the successor. The explanation is also consequently amended to exclude the definition of business reorganization and the word pendency is defined to mean: 'the period commencing from the date of filing of application for such succession of business before the High Court or tribunal or the date of admission of an application for corporate insolvency resolution by the Adjudicating Authority as defined in clause (1) of section 5 of the Insolvency

and Bankruptcy Code, 2016 and ending with the date on which the order of such High Court or tribunal or such Adjudicating Authority, as the case may be, is received by the Principal Commissioner or the Commissioner.’

29. Amendment in the provisions of section 179 of the Act

Section 179 of the Act contains provisions which enables Income tax authorities to recover tax due from a private company from its directors, under certain circumstances where such tax cannot be recovered from the company itself. The section makes each director of the private company jointly and severally liable for the payment of such tax with certain conditions. However, the title of the section inadvertently refers to the liability of directors of private company in liquidation.

The liability of directors of a private company under this section is not conditional upon the company being in liquidation and the section makes no reference to liquidation. Therefore, to make the title of the section uniform with its provisions, an amendment has been made in the title of the section to “Liability of directors of private company”

Further, Explanation to the section clarifies that the expression “tax due” in the section includes penalty, interest of any other sum payable under the Act. In order to avoid unnecessary litigation and to provide further clarity, the word “fees” in the scope of the expression “tax due” under Explanation to the section has been inserted.

30. Rationalization of provisions of TDS on sale of immovable property [Section 194-IA]

Section 194-IA of the Act provides for deduction of tax on payment on transfer of certain immovable property other than agricultural land. Sub-section (1) of the said section provides for deduction of tax by any person responsible for paying to a resident any sum by way of consideration for transfer of any immovable property (other than agricultural land) at the time of credit or payment of such sum to the resident at the rate of one percent of such sum as income-tax thereon. Sub-section (2) provides that no deduction of tax shall be made where the consideration for the transfer of an immovable property is less than fifty lakh rupees.

As per the provisions of the said section, TDS is to be deducted on the amount of consideration paid by the transferee to the transferor. This section does not take into account the stamp duty value of the immovable property, whereas, as the provisions of section per 43CA and 50C of the Act, for the computation of income under the head “Profits and gains from business or profession” and “capital gains” respectively, the stamp duty value is also to be considered. Thus there is inconsistency in the provisions of section 194-IA and sections 43CA and 50C of the Act.

In order to remove inconsistency, an amendment has been made in section 194-IA of the Act to provide that in case of transfer of an immovable property (other than agricultural land), TDS is to be deducted at the rate of one percent of such sum paid or credited to the resident or the stamp duty value of such property, whichever is higher. In case the consideration paid for the transfer of immovable property and the stamp duty value of such property are both less than fifty lakh rupees, then no tax is to be deducted under section 194-IA.

31. Deduction of tax on benefit or perquisite in respect of business or profession [Amendment to Section 194R]

A new section 194R was introduced whereby a person responsible for providing to a resident, any benefit or perquisite, whether convertible into money or not, is required to deduct tax at 10% of the value or aggregate of value of such benefit or perquisite. In case such benefit or perquisite is provided wholly in kind or partly in kind and partly in cash but such part in cash is not sufficient to meet the liability of deduction of tax in respect of whole of such benefit or perquisite, the person responsible for providing such benefit or perquisite shall, before releasing the benefit or perquisite, ensure that tax has been deducted has been paid in respect of the benefit or perquisite.

Section 194R is amended to clarify that ‘ensure that tax has been deducted’ means ensure that tax required to be deducted has been paid in respect of the benefit or perquisite.

New sub-sections (2) and (3) are inserted to provide that in case any difficulty arises in giving effect to the provisions of this section, the CBDT may, with the previous approval of the Central Government, issue guidelines for the purpose of removing the difficulty and such guidelines would be binding on the assessee and assessing authority.

32. Payment on transfer of virtual digital asset [Amendment to Section 194S]

The newly introduced section 194S provides that any person responsible for paying to a resident any sum by way of consideration for transfer of a virtual digital asset, shall, at the time of credit of such sum to the account of the resident or at the time of payment of such sum by any mode, whichever is earlier, deduct an amount equal to one percent of such sum as income-tax.

As per the amendment brought that payments made in respect of consideration on transfer of virtual digital assets shall be liable to TDS under section 194S. Further, the amendment has clarified that notwithstanding anything contained in the Chapter, a transaction in respect of which tax is deducted under section 194S shall not be liable to deduction to tax under any provisions in the chapter. It has been clarified that payment by any person of any sum by way of consideration for transfer of virtual digital assets made to any resident is liable for deduction of tax under section 194S.

Further, it is now clarified that the person responsible for deducting tax, should ensure that tax which is ‘required to be deducted’ shall be paid, before release of such consideration for transfer of a virtual digital asset. The Finance Bill has omitted subsection (8) of section 194S and same is substituted in subsection (4) of section 194S. It is clarified that notwithstanding anything contained in section 194-O, in case of a transaction to which the provisions of the said section are applicable along with the provisions of section 194S, tax shall be deducted under section 194S(1).

Payment on transfer of virtual digital asset [Amendment to Section 194S] – Section 194-O specifies that where sale of goods or provision of services of an e-commerce participant is facilitated by an e-commerce operator through its digital or electronic facility or platform, such e-commerce operator shall, at the time of credit of amount of sale or services or both to the account of an e-commerce participant or at the time of payment thereof to such e-commerce participant, whichever is earlier, deduct income-tax at the rate of one per cent of the gross amount of such sales or services or both.

33. Rationalization of the provisions of sections 271AAB, 271AAC and 271AAD of the Act

Sections 271AAB, 271AAC and 271AAD of the Act under Chapter XXI contain provisions which give powers to the Assessing Officer to levy penalty in cases involving undisclosed income in cases where search has been initiated u/s 132 or otherwise, or for false entry etc. in books of account.

Under Chapter XXI of the Act which deals with penalties, Commissioner (Appeals) has concomitant powers with Assessing Officer to levy penalty in eligible cases under section 270A, section 271, section 271A, section 271AA, section 271G, section 271J which deal with deliberate concealment, non-disclosure and omission by an assessee to evade tax.

Similarly, sections 271AAB, 271AAC, 271AAD penalise actions pertaining to undisclosed income, unexplained credits or expenditures, or deliberate falsification or omission in books of accounts. Therefore, in order to improve deterrence against noncompliance among tax payers, an amendment has been made in sections 271AAB, 271AAC and 271AAD by enabling the Commissioner (Appeals) to levy penalty under these sections to the along with Assessing Officer.

34. Amendment in the provisions of section 272A of the Act

Section 272A of the Act provides for penalty for failure to answer questions, sign statements, furnish information, returns or statements, allow inspections etc. At present, the amount of penalty for failures listed under sub-section (2) of section 272A is one hundred rupees for every day during which the failure continues. Section 272A ensures compliance with various obligations under the Incometax Act by penalising non-compliance and acting as a deterrent.

An amendment has been made to increase the amount of penalty for failures listed under sub-section (2) of section 272A to five hundred rupees from the existing sum of one hundred rupees.

Lesson 9 Procedure Compliance	<p>Clarification on doubts arising on account of new TCS provisions (September 30, 2020)</p> <p>Finance Act, 2020 amended provisions relating to TCS with effect from 1st October, 2020 to provide that seller of goods shall collect tax @ 0.1 per cent (0.075% up to 31.03.2021) if the receipt of sale consideration from a buyer exceeds Rs. 50 lakh in the financial year. Further, to reduce the compliance burden, it has been provided that a seller would be required to collect tax only if his turnover exceeds Rs. 10 crore in the last financial year. Moreover, the export of goods has also been exempted from the applicability of these provisions.</p> <p>The Central Board of Direct Taxes issues press note clarifying doubts arising on the applicability of TCS provisions introduced vide Finance Act, 2020. Circular No. 17 of 2020 dated 29.09.2020 containing guidelines for the same issued earlier.</p> <p><i>TCS shall be applicable only on the amount received on or after 1st October, 2020. For example, a seller who has received Rs. 1 crore before 1st October, 2020 from a particular buyer and receives Rs. 5 lakh after 1st October, 2020 would be required to collect tax on Rs. 5 lakh only and not on Rs. 55 lakh [i.e Rs.1.05 crore - Rs. 50 lakh (threshold)] by including the amount received before 1st October, 2020.</i></p> <p><i>It may be noted that TCS applies only in cases where receipt of sale consideration exceeds Rs. 50 lakh in a financial year. As the threshold is based on the yearly receipt, it may be noted that only for the purpose of calculation of this threshold of Rs. 50 lakh, the receipt from the beginning of the financial year i.e. from 1st April, 2020 shall be taken into account. For example, in the above illustration, the seller has to collect tax on receipt of Rs. 5 lakh after 1st October, 2020 because the receipts from 1st April, 2020 i.e. Rs. 1.05 crore exceeded the specified threshold of Rs. 50 lakh.</i></p>	https://pib.nic.in/PressReleasePage.aspx?PRID=1660392

31.	Lesson 2 Basic Concept of Income Tax	Residential status of certain individuals under Income-tax Act, 1961 (Circular No. 2 Dated March 3, 2021) Section 6 of the Income-tax Act, 1961 (the Act) contains provisions relating to determination of residential status of a person. The status of an individual, as to whether he is resident in India or a non-resident or not ordinarily resident, is dependent, inter-alia, on the period for which the person is in India during a previous year or years preceding the previous year. The Board has received various representations requesting for relaxation in determination of residential status for previous year 2020-21 from individuals who had come on a visit to India during the previous year 2019-20 and intended to leave India but could not do so due to suspension of international flights. The matter has been examined by the Board and following facts have emerged: <ol style="list-style-type: none"> 1. Short stay will not result into Indian residency 2. Possibilities of dual non-residency in case of general relaxation 3. Tie breaker rule as per Double Taxation Avoidance Agreement (DTAA) 4. Employment income taxable only subject to conditions as per DTAA 5. Credit for the taxes paid in other country 6. International Experience Thus, it can be seen that OECD as well as most of the countries have clarified that in view of the provisions of the domestic income tax law read with the DTAAAs, there does not appear a possibility of the double taxation of the income for PY 2020-21. The possibility of double taxation does not exist as per the provisions of the Income-tax Act, 1961 read with the DTAAAs. However, in order to understand the possible situations in which a particular taxpayer is facing double taxation due to the forced stay in India, it would be in the fitness of things to obtain relevant information from such individuals. After understanding the possible situations of double taxation, the Board shall examine that, <ol style="list-style-type: none"> i. whether any relaxation is required to be provided in this matter; and ii. if required, then whether general relaxation can be provided for a class of individuals or specific relaxation is required to be provided in individual cases. 57.	Lesson 9 Procedural Compliance	Guidelines under section 194Q of the Income-tax Act, 1961 [Circular No. 13 Dated June 30, 2021] The Finance Act, 2021 inserted a new section 194Q in the Income-tax Act 1961 which takes effect from 1 st July, 2021. It applies to any buyer who is responsible for paying any sum to any resident seller for the purchase of any goods of the value or aggregate of value exceeding Rs. 50 lakh in any previous year. The buyer, at the time of credit of such sum to the account of the seller or at the time of payment, whichever is earlier, is required to deduct an amount equal to 0.1% of such sum exceeding Rs. 50 lakh as income tax. It has been represented that there are practical difficulties in implementing the provisions of Tax Deduction at Source (TDS) contained in section 194-Q of the Act. <i>Accordingly, the CBDT issued guidelines which, at some places have also tried to remove difficulties in implementing the provisions of section 194-O and sub-section (IH) of section 206C of the Act using power contained in sub-section (4) of section 194-O of the Act and sub-section (1- I) of section 206C of the Act.</i>	https://www.incometaxindia.gov.in/communications/circular/circular_13_2021.pdf

Lesson 3 Income which do not form a part of Total Income	Guidelines under clause (10D) section 10 of the Income-tax Act, 1961 (Circular No. 02 Dated 19th January, 2022) Clause (10D) of section 10 of the Income-tax Act, 1961 provides for income-tax exemption on the sum received under a life insurance policy, including any sum allocated by way of bonus on such policy subject to certain exclusions. The Finance Act, 2021 amended clause (10D) of section 10 of the Act by inserting Four provisos (fourth to seventh provisos). Fourth proviso provides that, with effect from 01.02.2021, the sum received under a Unit Linked Insurance Policy (ULIP), issued on or after 01.02.2021, shall not be exempt under the said clause if the amount of premium payable for any of the previous years during the term of such policy exceeds Rs. 2,50,000. Further, fifth proviso provides that if premium is payable for more than one ULIP, issued on or after 01.02.2021, the exemption under the said clause shall be available only with respect to such policies where the aggregate premium does not exceed Rs. 2,50,000 for any of the previous years during the term of any of those policies. Sixth proviso provides that the fourth and fifth provisos shall not apply in case of sum received on death of the person. In order to remove difficulties, CBDT has issued the following guidelines. Exemption to ULIP receipts u/s 10(10D): Sum received including any sum allocated by way of bonus (hereinafter referred as "consideration") during the previous year (hereinafter referred as "current previous year") under any one or more ULIPs issued on or after 01.02.2021 ("eligible ULIP") shall be exempt under clause (10D) of section 10 of the Act, subject to the satisfaction of other provisions of said clause. 134.	Lesson 9 Procedural Compliances	Guidelines for removal of difficulties under sub-section (6) of section 194S of the Income-tax Act, 1961 [Circular 13 Date June 22, 2022] The Finance Act 2022 inserted a new section 194S in the Income-tax Act, 1961 to provide for deduction of tax by any person who is responsible for paying consideration to a resident person in respect of the transfer of virtual digital assets (VDAs). It is to be noted that the liability to deduct under section 194S is of a person who is responsible for paying the consideration for the transfer of VDA (i.e., the payer) and not of the person who is buying the VDA (i.e., the buyer). Thus, the payer and buyer of VDA may be a different person. This generally happens when the VDAs are transferred through an Exchange or Broker. Where VDAs are transferred through an Exchange, the buyer would be crediting or making payment to the Exchange (either directly or through a broker). The Exchange then would be required to credit or make payment to the owner of VDA (either directly or through a broker). Since there can be multiple players involved in a transaction taking place through an Exchange, there is a possibility of tax deduction requirement under section 194S at multiple stages, and, accordingly, there would be a compliance burden on multiple parties involved in such transaction. To remove the difficulties that may arise while deducting tax at source under section 194S, where VDAs are transferred on or through an exchange, the CBDT has issued certain guidelines in the	https://incometaxindia.gov.in/communication/s/circular/circular-no-13-2022.pdf

		<p>exercise of the power conferred by sub-section (6) of section 194S, which shall be binding on the income-tax authorities as well as the person responsible for paying the consideration for transfer of VDA.</p> <p>To answer ‘who will be liable to deduct tax under section 194S where VDA is transferred on or through an exchange?’ the CBDT has clarified the same under the following situations:</p> <ul style="list-style-type: none"> • Where VDA is transferred through an exchange without the involvement of a broker • Where VDA is transferred through an exchange with the involvement of a broker • Where VDA being transferred is owned by the Exchange • Where VDA being transferred is owned by the Exchange and same is bought through a broker • Where under aforesaid situations, the consideration for transfer of VDA is in kind or in Exchange for another VDA 	
135.	<p>Lesson 9</p> <p>Procedural Compliances</p>	<p>Order under section 119 of the Income-tax Act, 1961 (the Act) in relation to tax deduction at source under section 194S of the Act for transactions other than those taking place on or through an Exchange</p> <p>Finance Act, 2022 inserted a new section 194S in the Act with effect from 1st July 2022. The new section mandates a person, who is responsible for paying to any resident any sum by way of consideration for transfer of a virtual digital asset (VDA), to deduct an amount equal to 1% of such sum as income tax thereon. The tax deduction is required to be made at the time of credit of such sum to the account of the resident or at the time of payment, whichever is earlier.</p> <p>Sub-section (6) of section 194S of the Act authorises Central Board of Direct Taxes (CBDT) to issue guidelines, for removal of difficulties, with the approval of the Central Government. Accordingly, CBDT has issued guidelines in the form of Circular No. 13 of 2022 dated 22.06.2022 for transactions conducted on or through an Exchange. For all other transactions only the clarification provided in answer to question no 6 of that circular is applicable.</p> <p>The term “Exchange” has been defined to mean any person that operates an application or platform for transferring of VDAs, which matches buy and sell trades and executes the same on its application or platform.
