

!!! Attention Students!!!

**(Webinar on the new initiative of ICSI
on
Corporate Leadership Development program)**

It is the need of the hour to create next generation Corporate Leaders to drive the growth process of Indian Economy. In view of the same, the ICSI has introduced 45 days residential Corporate Leadership Development Program scheduled from 1st August to 14th September, 2017. The training will focus on smart corporate leadership proficiencies, personality Development, Presentation skills, Business communications, Soft skills, Functional areas and core competencies of CS, industry interface and exploring smart career moves. The training will facilitate Practical orientation of the candidates to face the corporate world as emerging leaders.

Institute is getting numerous queries from across the country from the Students on this on Corporate Leadership Development Program. In order increase awareness of the students , a webinar has been scheduled as follows.

Details of the webinar are as given :

Date : 25th July 2017 (Tuesday)
