ICSI/Trg/06/2020

19/06/2020

Department of Training

Subject: Extension in the provision of making e-MSOP accessible to eligible students and submission of first and second quarterly reports upto 30th September 2020.

This is in continuation of our earlier circular no. ICSI/Trg/e-MSOP/2020 dated 31.03.2020 and ICSI/Trg/QR/2020 dated 17.04.2020 wherein the students were provided relaxation by easing the eligibility in the provision of e-MSOP and also in the submission of first quarterly reports upto 30th June 2020..

Keeping in view the current situation in the country due to COVID 19 pandemic, the ICSI has further extended the relaxation (upto 30th September 2020), in the eligibility criteria for taking admission in e-MSOP by temporarily removing the two years' time bar between professional pass and e-MSOP registration, so that all professional pass students irrespective of their year of passing in professional examination may avail the facility of e-MSOP subject to fulfillment of other conditions as mentioned in the guidelines. This will facilitate the students to apply for membership without waiting for the classroom based MSOP in regions and chapters.

The Institute has also provided relaxation in submitting the first and second quarterly report of the trainees in the Institute records. Now the last date of submission of first quarterly report (January - March 2020) and second quarterly report (April-June 2020) is hereby extended upto 30th September 2020.

This is for information of all concerned.
