Dear Professional Colleagues

Greetings from ICSI

With the objective of meeting the April 1, 2017 deadline of GST rollout, the Government is on a fast track in deliberating implementation procedures. Conclusion of first meeting of GST Council and commencement of second meeting on September 30, 2016 to adopt draft rules relating to registration, returns etc., is certainly a swift step forward.

One such step taken by Central Board of Excise and Customs (CBEC) was release of a comprehensive set of FAQs which cover the issues in GST law and provides an insight on structure of the new regime. The FAQs are for providing assistance and better understanding of the GST Framework to the public at large. With the GST regime on the threshold of implementation, these FAQs are useful in enriching and briefing about the Model GST Law and its applicability.

The FAQs have been uploaded at the GST Corner of the website which can be accessed through the following link: https://www.icsi.edu/webmodules/faq_on_gst.pdf

I request my professional colleagues to deepen their perceptive knowledge and as competent professionals, get hold of upcoming professional opportunities under the new GST regime.

Regards

CS Mamta Binani
President
