GST Portal Updates (New Functionality- Payment)

I. Acceptance of CIN generated in case of Net Banking even after expiry of CPIN for payment.

Presently, for making payment if Taxpayer created a challan in e-payment mode and initiated payment within the expiry period of CPIN, but bank generated CIN after expiry of CPIN, then GST system does not accept that CIN.

Now modification on the portal is done for acceptance of CIN generated in case of Net Banking (e-Payment), even after expiry of CPIN, if payment is initiated before expiry of CPIN and where

- Taxpayer generated a CPIN in e-payment (Net Banking) mode.
- Taxpayer initiated payment through Net Banking before the expiry of CPIN.

II. Masking of data in Challan

At the time of generation of Challan, Mobile No. email-Id and address of Taxpayer will now be masked for data security.
