❖ **Pronouncement**

August 22, 2025	M/s C.L. Gupta Export Ltd. (Appellant) Versus Adil Ansari & Ors (Respondents)	Supreme Court of India Civil Appellate Jurisdiction Civil Appeal No. 2864 of 2022 2025 INSC 1035
-----------------	---	---

National Green Tribunal (NGT) has no jurisdiction to direct the prosecution of individuals under the Prevention of Money laundering Act, 2002. (PMLA)

Brief Facts

National Green Tribunal (NGT) imposed a compensation of Rs. 50 crores based on the allegedly admitted turnover of the appellant and NGT also directed the Enforcement Directorate to take appropriate action under the Prevention of Money Laundering Act, 20022 wherein the environmental laws are also included in Part-A of Schedule I.

Judgement

Hon'ble Apex Court inter alia observed that in *Waris Chemicals (P) Ltd. v. U.P. Pollution Control Board 2025 SCC OnLine SC 1261* dealt with a similar direction to invoke the provisions of the PMLA as in this case. It was held, following *Vijay Madanlal Choudhary v. Union of India (2023) 12 SCC 1* that Section 3 of the PMLA is dependent on illegal gain of property as a result of the criminal activity relating to a scheduled offence. As in the facts of the cited case, here, neither is there registration of FIR for any scheduled offence nor any complaint is filed alleging such offences under the various environmental protection statutes scheduled under the PMLA and coming within its ambit. This Court had also raised serious doubts about the jurisdiction of the NGT to direct the prosecution of individuals under the PMLA; which we fully subscribe to. The NGT should act within the contours of the powers conferred on it which is Section 15 of the NGT Act of 2010. Though such power would be available to a Court constituted under the PMLA or to constitutional courts, it would not be available for exercise by the NGT, constituted to ensure effective and expeditious consideration of cases relating to environmental protection and conservation of forests and other natural resources including enforcement of any legal right and giving relief and compensation for damages to persons and properties. We hence set aside the direction issued to the Enforcement Directorate; but say nothing on whether there is an offence made out or not, which at this stage is not within our ken.

Supreme Court set aside the directions issued other than that which permits a continuous monitoring and audit of the pollution control measures to ensure a pollution free, compliance regime.
