CERTIFIED BANKING COMPLIANCE PROFESSIONAL

Mastering Compliance Skills

Certified Banking Compliance Professional Course

Background :

The course on compliance in banks has been planned based on the suggestions made by the Governing Council members of IIBF. The Institute had pursued the suggestion by organizing workshops in collaboration with International Compliance Association (ICA), London. As compliance function primarily deals with local laws and regulations, the Institute decided to develop the courseware internally and seek collaboration for offering a certification course.

The Institute of Company Secretaries of India (ICSI), New Delhi has come forward recently for offering a joint certification with IIBF to their members as also the CAIIB holders to make available well qualified candidates to work in the compliance department in banks.

Objectives :

The course primarily seeks to cover the following viz. importance of compliance function in banks, compliance and organizational benefit, structure and issues in compliance function, various aspects / coverage of compliance in banks, role and functions of compliance.

Scope :

The certificate course seeks to enable the company secretaries :

- To perform the dual role of Company Secretary (Risk Manager) as well as that of the Compliance officer / Chief Compliance officer
- To ensure observance of applicable statutory provisions contained in various legislations such as Banking Regulation Act, Reserve Bank of India Act, Foreign Exchange Management Act, Prevention of Money Laundering Act etc. and also other
