39th NATIONAL CONVENTION OF COMPANY SECRETARIES

Details of the Convention to be announced shortly.
Dear Professional Colleague,

The Ministry of Corporate Affairs has setup a dedicated portal (http://xbrl.icai.org/) for XBRL containing the Business rules, XBRL Taxonomies, Filing Manual, FAQs, etc.

The MCA has also put a list of XBRL Training and Software Vendors on the portal at the link: http://xbrl.icai.org/wp-content/uploads/2011/06/resources1.pdf

Members may contact the software vendors directly for training and software needs in regard to filing of documents in XBRL format. The ICSI is also organizing programmes on XBRL at various locations through the RCs / Chapters.

Regards,

CS N K Jain
Secretary & CEO

ICS Update
July 05, 2011

ICS Celebrates Corporate Governance Week
August 8-12, 2011

The Institute of Company Secretaries of India (ICSI) is one of the first professional bodies in India to initiate discussion on “Corporate Governance” in the light of Cadbury Committee Report in the year 1997. The Institute has taken several initiatives on corporate governance including ICSI National Award for Excellence in Corporate Governance; ICSI Life Time Achievement Award for Translating Excellence in Corporate Governance into Reality; Issuance of Secretarial Standards to harmonise diverse Corporate Secretarial Practices; Post Membership Qualification (PMQ) Course in Corporate Governance; Directors Development Programmes; International Conferences on Corporate Governance; Investor Education and Awareness Programmes; as well as Joint Programmes with OECD, GCGF (IFC – Washington), INSOL International, Cass Business School (London), ICSA Singapore, ICSA Malaysia, CISL CMDA (Maldives), etc. for furthering the cause of corporate governance.

CORPORATE GOVERNANCE WEEK

Furthering the cause of good governance amongst corporate India, the Institute has decided to observe “ICSI Corporate Governance Week”, as an Annual Event.

This year the week will be celebrated from August 8-12, 2011. It is proposed to organise programmes corporate governance, sustainability, ethics and integrity, risk management, Non-Financial Disclosures, Carbon Footprints, and Good Corporate Citizenship as well as furthering “Go Green” initiatives throughout the length and breadth of the country.

CORPORATE GOVERNANCE CONCLAVE

The celebrations of the Corporate Governance Week shall culminate into Corporate Governance Conclave. Besides building awareness, the Conclave would provide insights into the various facets of the corporate governance which have assumed significance in the changing business landscape and need the attention from governance professionals, industry leaders, academia, students and others.

THEME

“Integrating Sustainability into Corporate DNA”

Day & Date : Friday August 12, 2011
Venue : New Delhi

Faculty: Corporate Captains, learned professionals, global experts in Corporate Governance will enlighten participants on various intricate issues of Corporate Governance.

PCH – Members attending conclave will be awarded two PCH.

Knowledge Partners:

All are cordially invited to attend and participate in the Corporate Governance Week activities and Corporate Governance Conclave.

***************************************************************************
FREQUENTLY ASKED QUESTIONS ON ICSI-USE MOU

1. What is United Stock Exchange of India?

United Stock Exchange of India Limited (USE) is India’s newest stock exchange and has been promoted by 21 Indian public sector banks, private banks and corporate houses. USE is the trading platform for Currency Futures now.

2. Who can trade on currency futures?

Any Resident Indian or Company can become a member of USE and trade in the currency futures market. At present, Non Resident Indians (NRIs) and Foreign Institutional Investors (FIIs) are not permitted to trade in the futures market in India.

3. Why has ICSI partnered with USE?

ICSI-USE understand and realize the high growth potential of the Indian financial markets and has agreed to collaborate in variety of educative initiatives such as:

1. Holding and organizing seminars on financial markets and corporate governance to empower the users.
2. Creating infrastructure of knowledge based technical studies on financial markets.
3. Creating awareness about the complex financial instruments and using derivatives for effective hedging keeping accounting standards in perspective.
4. Conduct various kinds of certification programmes and literature on financial markets and corporate governance.
5. Hosting events such as simulation exercises (mock trading on exchanges), seminars, and training in financial markets to empower ICSI members and general investing public in rightfully analyzing the financial markets.
6. Conducting research and other related activities in financial markets and impact of corporate laws and Secretarial standards on financial markets.
7. Imparting and conducting special training and education programmes in financial markets.
8. Organizing short term courses on various asset classes, currency, interest rates, commodity, debt, mutual funds, and derivatives.
9. Organizing panel discussions, webcasting and presentation of experts on various aspects of financial markets and using electronic media for imparting knowledge.
10. Collaborating for joint certification of ICSI professionals on topics of professional interest.

4. What is the distinctive benefit offered by USE to ICSI Members?
Membership of United Stock Exchange of India is available free of cost to all ICSI Members for the first three months from the signing of this MOU. The MOU was signed on March 07, 2011 at New Delhi.

5. **What are the different types of membership available?**

There are 2 types of memberships available with USE:

- **TRADING MEMBERSHIP:** Trading Members have the privilege of trading on one’s own account as well as on the accounts of their clients but do not have the facility to clear and settle debts.

- **CLEARING MEMBERSHIP:** Clearing Members are entitled to clear and settle trades for all trading members through the clearing corporation of USE – ICCL (a wholly owned subsidiary of Bombay Stock exchange with fully automated post trade services).

6. **Who can take membership of the exchange?**

Any Proprietor, Partnership or Corporate Firm fulfilling the eligibility requirements laid down by SEBI can take membership of the exchange. Following are the requirements as per SEBI guidelines.

- For Trading Membership, the member should possess a liquid net worth of 1 Crore Rupees, while for a Clearing Membership the member requires liquid net worth of 5 Crore Rupees.
- The Designated Directors should have an experience of minimum 2 years in the capital market.
- Minimum 2 NISM (series – 1) certificates

7. **How can I attain NISM Certification?**

There is NISM online exam for the currency segment. The member can login and register online on the website of Bombay Stock Exchange and take a slot as per his/her convenience. The link for the same is [http://www.bseindia.com/training/nismregistration.asp](http://www.bseindia.com/training/nismregistration.asp)

8. **How do ICSI members register themselves as trading members of USE? (Procedural Requirements)**

The procedure for becoming a Trading Member with the exchange basically involves 2 steps i.e. filling the Application form and the Commencement of Business (COB) Form.

As a first step the applicant would be required to fill in and submit the Application Forms to the Exchange. These forms can be downloaded from USE website, the link for which is [http://www.useindia.com/downloads.php](http://www.useindia.com/downloads.php).

These forms would be submitted to SEBI, who would scrutinise the forms and then issue its SEBI Certificate. After this the applicant would be required to submit the Commencement of Business Forms (COB) available on USE website.

Upon Completion of this formality the applicant becomes a full fledged member.
9. **What activities can I undertake on the platform?**
   The member can use this platform for meeting his need for all three functions i.e. for hedging, speculating and arbitraging. Spread contracts are also available on the USE platform.

10. **Would I have to undertake any hidden costs?**
    At the time of inception to trade, Trading member is required to pay a security deposit of 1 Lakh Rupees to the exchange which is fully refundable upon surrender of the membership.

    Similarly a Clearing member would have to pay security deposit of 50 Lakh Rupees which constitutes of 25 Lakhs as cash and other 25 Lakhs as non cash component. This is a non interest bearing deposit.

    The software and connectivity would be provided by the exchange free of cost. Members having BSE connectivity would also be able to use it for USE software for free. As of now, there are no transaction charges on the exchange.

FAQS ON FAST TRACK EXIT (FTE) MODE

What is Fast Track Exit (FTE) Mode?

Ministry has issued Guidelines for "Fast Track Exit (FTE) Mode" to give opportunity to the defunct companies to get their names struck off from the register under Section 560 of the Companies Act, 1956 in time bound manner.

What is the date of implementation of these Guidelines?

The Guidelines will be implemented with effect from 3rd July, 2011.

What are the main criteria for making an application under FTE?

There are two main criteria:-

- The company applying under FTE should not have any asset and liability.
- The company should not have commenced any business activity or operation since incorporation or at least one year must has been passed since last business activity or operation.

Can a dormant company apply under FTE?

Yes, any company, which has been identified as dormant by the Ministry of Corporate Affairs, can apply under FTE. Such companies need not to file Form 61 for normalizing.

Can a company identified as defaulting company apply under FTE?

Any company, which has not filed its statutory documents i.e. Balance Sheet and Annual Return for any of the financial year 2006-07, 2007-08, 2008-09 and 2009-10, has been identified as defaulting company. Directors of such companies are debarred from filing any document till they make the default good. Such defaulting companies can apply under FTE.

Which are the companies to whom FTE is not applicable?

The guidelines does not inter-alia cover the listed companies, companies that have been de-listed due to non-compliance of listing agreement or any other statutory Laws, section 25 companies, vanishing companies, companies under inspection/investigation, companies against which prosecution for a non-compoundable offence is pending in court, companies having outstanding public deposits or secured loan or dues towards banks and financial institutions or any other Government Departments etc. or having management dispute or company in respect of which filing of documents have been stayed by court or CLB or Central Government or any other competent authority.

For details, kindly refer general circular number 36/2011 dated 7.6.2011 available on MCA portal www.mca.gov.in
What is the procedure for making application for striking off the name under FTE?

The Company desirous to get its name struck off from the Register shall file an application in the prescribed Form FTE online with the Registrar. The form shall be accompanied with an affidavit, an indemnity bond, statement of account duly certified by a Chartered Accountant in practice or auditor of the company and copy of board resolution showing authorization for filing the form.

Is there any fee for filing Form FTE?

Yes, applicant is required to file an application in the prescribed Form FTE along with prescribed fee of Rs. 5,000/-

Who can sign Form FTE? Whether digital signature of authorised signatory of the company is a mandatory requirement for filing the Form FTE?

- In case there are active signatories of the company existing in the MCA21 system, then the Form shall have to be mandatorily digitally signed by the authorised signatory of the company.
- In case no active signatories are existing in the MCA 21 system, then a physical copy of the Form duly filled in, shall have to be signed manually by a director authorised by the Board of Directors of the company and shall be attached with the Form. Such form will be uploaded by the practicing professional (i.e. CA/CS/CWA), who has certified the form.

In such case, the application shall be accompanied by certificate from a CA/CS/CWA in whole time practice along with their membership number, certifying that the applicants are present directors of the company. In such cases, the applicants shall not be asked to file Form 32 and Form DIN.

In all cases, certification by a practicing professional (i.e. CA/CS/CWA) is mandatory.

What will happen, if there is pending prosecution against the company and its directors?

If the pending prosecutions are only for non-filing of Annual Returns under section 159 and Balance Sheet under section 220 of the Act, such application may be accepted provided the applicants have already filed the compounding application. However, steps for final strike of the name of the company will be taken only after disposal of compounding application by the competent authority.

How the foreign nationals will get their Indemnity Bond and Affidavit notarized?

Foreign nationals and NRIs may get their Indemnity Bond and Affidavit notarized as per their respective country’s law.
Walk, ride a bike, or use public transportation whenever possible.

Keep vehicles well maintained. Under-inflated tires and dirty air-intake filters can significantly reduce gas mileage.

In case any stakeholder has any objections to the Striking off the name of any company from the Register, what shall be done in such case?

List of applications filed under FTE will be available on the portal. In case any stakeholder has any objections to the Striking off the name of any company, he/she may raise such objection by email/letter with the concerned ROC Office within 30 days from the date of filing Form FTE by the company.
PROPOSED GUIDELINES FOR CONVERSION OF SECTION 25 COMPANY (NON PROFIT COMPANY) TO AN ORDINARY COMPANY UNDER COMPANIES ACT, 1956.

F.No.17/178/2011-CL-V
Government of India
Ministry of Corporate Affairs
CL V Section

5th Floor, A Wing, Shastri Bhavan,
Dr. R.P. Road, New Delhi
Dated the

Regional Directors,
All Registrar of Companies,
All Stakeholders

Sub : Proposed guidelines for conversion of section 25 company (non profit company) to an ordinary company under Companies Act, 1956.

Sir,

The Ministry has been receiving representation from various stakeholders to develop a procedure under Companies Act, 1956 for conversion of section 25 company (non-profit company) to an ordinary company because there are a number of section 25 companies which have not done any activity after obtaining license under section 25 or have stopped such activities, and now want to convert themselves as an ordinary company.

2. At present there is no specific provision under Companies Act, 1956, where a company can apply for conversion of a section 25 company (non-profit company) to an ordinary company. The Central Government is however empowered under section 25(7) of the Companies Act, 1956 to revoke the license granted under section 25(1) or 25(3) of the Companies Act, 1956. This may tantamount as conversion of section 25 (non-profit) company to an ordinary company subject to certain conditions.

3. Section 25 companies, being a non profit organization/company normally receive contribution from all sections of the society in the form of donations, contributions, etc for the furtherance of the charitable, philanthropic activities or for such other useful objects. Such non profit companies sometime also enjoy special status and benefit from various authorities such as Income Tax, Commissioner of Charity, any organization of Central Government or State Government, Municipal Body or any other recognized authority.

4. The Companies Regulation, 1956 also provides for distribution of assets of such companies on winding up as under: --

"If upon a winding up or dissolution of the company, there remains, after the satisfaction of all the debts and liabilities, any property whatsoever, the same
shall not be distributed amongst the members of the company but shall be given or transferred to such other company having objects similar to the objects of this company, to be determined by the members of the company at or before the time of dissolution or in default thereof, by the High Court of Judicature that has or may acquire jurisdiction in the matter.”

5. In the background of above provisions, the Ministry of Corporate Affairs is considering to prescribe following guidelines for conversion of a section 25 company to an ordinary company: --

I. A section 25 Company may apply to Registrar of Company in e-form 61 for its revocation of license under section 25 (7) of the Act. Such section 25 Company should satisfy following conditions: --

(a) The company should have passed a resolution in general meeting to convert itself into a non section 25 company which should have been approved by all members/shareholders of the company by adopting revised Memorandum and Articles of Association.

(b) The company has not commenced any activity or operation since its incorporation.

(c) The company has not received any donation, grants or contribution etc., other than from its members.

(d) Where the company has obtained any special status from any authority such as Income Tax, Commissioner of Charity or any organization or Department of Central Government, State Government, Municipal Body or any recognized authority then a “No Objection Certificate” has to be obtained from the concerned authority.

(e) The existing assets, if any has to be transferred to a similar object company before converting it into a non-section 25 company.

(f) The company should have filed its all up to date Balance Sheets and Annual Returns.

(g) The Directors have to file an affidavit confirming above compliances/ status.

(h) A certificate from practicing Chartered Accountants/ Company Secretary/ Cost Accountant certifying the above status / compliances by the company.

II. On receipt of above documents and being satisfied, the Registrar of Companies can considered to revoke license in exercise of his power under section 25(7) of the Act on merits.

6. You are requested to examine the proposed guidelines and furnish your comments/recommendations to the Ministry by 15th July, 2011 by e-mail on following e-mail addresses.

monika.gupta@mca.gov.in

PROPOSED GUIDELINES FOR STRIKE OFF NAME UNDER SECTION 560 OF THE COMPANIES ACT, 1956 OF COMPANIES (NON PROFIT COMPANIES) WHICH HAVE BEEN GRANTED LICENSE UNDER SECTION 25 OF THE COMPANIES ACT, 1956

F.No.17/178/2011-CL-V
Government of India
Ministry of Corporate Affairs
CL V Section

5th Floor, A Wing, Shastri Bhavan,
Dr. R.P. Road, New Delhi
Dated the

All Regional Directors,
All Registrar of Companies,
All Stakeholders

Sub : Proposed guidelines for strike off name under section 560 of the Companies Act, 1956 of companies (non profit companies) which have been granted license under section 25 of the Companies Act, 1956.

Sir,

The Ministry has been receiving representation from various stakeholders to develop a procedure for strike off name under section 560 of the Companies Act, 1956 of companies (non profit companies) which have been granted license under section 25 of the Companies Act, 1956. There are a number of section 25 companies which have not done any activity after obtaining license under section 25 or have stopped such activities, and now want to strike off their name under section 560 of the Companies Act, 1956.

2. At present Registrar of Companies are not taking action either suo-moto or on request of companies for striking off the name of section 25 companies (non profit companies) under section 560 of the Companies Act, 1956. The Ministry of Corporate Affairs has also not permitted for exit of section 25 companies under various exit schemes under section 560 of the Act announced by it from time to time.

3. Section 25 companies, being a non profit organization/company normally receive contribution from all sections of the society in the form of donations, contributions, etc for the furtherance of the charitable, philanthropic activities or for such other useful objects. Such non profit companies sometime also enjoy special status and benefit from various authorities such as Income Tax, Commissioner of Charity, any organization of Central Government or State Government, Municipal Body or any other recognized authority.

4. The Companies Regulation, 1956 also provides for distribution of assets of such companies on winding up as under:

“If upon a winding up or dissolution of the company, there remains, after the satisfaction of all the debts and liabilities, any property whatsoever, the same shall not be distributed amongst the members of the company but shall be given or transferred to such other company having objects similar to the objects of this company, to be determined by the members of the company at or before the time of dissolution or in default thereof, by the High Court of Judicature that has or may acquire jurisdiction in the matter.”
Walk, ride a bike, or use public transportation whenever possible. Keep vehicles well maintained. Under-inflated tires and dirty air-intake filters can significantly reduce gas mileage.

5. In the background of above provisions, the Ministry of Corporate Affairs is considering to prescribe following guidelines for strike off name under 560 of the Companies Act, 1956 for section 25 companies as under:

I. A section 25 Company may apply to Registrar of Companies in e-form (to be prescribed) for strike off name under 560 of the Companies Act, 1956 after satisfying following conditions:

(a) The section 25 company should have passed a resolution in general meeting to apply Registrar of Companies to strike off name under 560 of the Companies Act, 1956 which should have been approved by all members/shareholders of the company.

(b) The section 25 company has not commenced any activity or operation since its incorporation or stopped activities for more than last 03 years.

(c) The company has not received any donation, grants or contribution etc., other than its members.

(d) Where the company has obtained any special status from any authority such as Income Tax, Commissioner of Charity or any organization or Department of Central Government, State Government, Municipal Body or any recognized authority then a "No Objection Certificate" has to be obtained from the concerned authority.

(e) The existing assets, if any has to be transferred to a similar object company (section 25 company) before applying to Registrar of Companies for strike off the name under section 560 of the Act.

(f) The company should have filed its all up to date Balance Sheets and Annual Returns and latest Balance Sheet should not have any Assets or Liabilities.

(g) The Directors have to file an affidavit and indemnity as required under present exit guidelines and confirming above compliances/status.

(h) A certificate from practicing Chartered Accountants/ Company Secretary/ Cost Accountant certifying the above status/compliances by the company.

II. On receipt of above documents and being satisfied, the Registrar of Companies may consider to initiate action under section 560 of the Companies Act, 1956.

6. You are requested to examine the proposed guidelines and furnish your comments/recommendations to the Ministry by 15th July, 2011 by e-mail on following e-mail addresses.

(Monica Gupta)
Assistant Director
CARVES OUT PROVIDED IN IND AS

The Ind As have been prepared by NACAS and with its recommendation submitted to MCA. NACAS adopted due consultative proposed of hosting the draft Ind As insisting /suggestions and therefore after deliberated with industries representative in NACAS. The finally recommended Ind AS have the following carve outs. These carve outs have been made to fill up the gap/differences in application of Accounting Principles Practices and economic conditions prevailing in India.

1. Ind AS 21-The Effects of Changes in Foreign Exchange Rates

It requires recognition of exchange differences arising on translation of monetary items from foreign currency to functional currency directly in profit or loss.

Carve out
Ind AS 21 permits an option to recognise exchange differences arising on translation of certain long-term monetary items from foreign currency to functional currency directly in equity. In this situation, Ind AS 21 requires the accumulated exchange differences to be amortised to profit or loss in an appropriate manner.

2. Ind AS 28- Investment in Associates

1. Paragraph 25 require that difference between the reporting period of an associate and that of the investor should not be more than three months, in any case.

Carve out
The phrase ‘unless it is impracticable’ has been added in the relevant requirement i.e., paragraph 25 of Ind AS 28.

2. IAS 28 requires that for the purpose of applying equity method of accounting in the preparation of investor’s financial statements, uniform accounting policies should be used. In other words, if the associate’s accounting policies are different from those of the investor, the investor should change the financial statements of the associate by using same accounting policies.

Carve out
The phrase, ‘unless impracticable to do so’ has been added in the relevant requirements i.e., paragraph 26 of Ind AS 28.

3. Ind AS 32- Financial Instruments in Presentation Part,

A Carve out is an exception has been included to the definition of ‘financial liability’ in paragraph 11 (b) (ii), Ind AS 32 to consider the equity conversion option embedded in a convertible bond denominated in foreign currency to acquire a fixed number of entity’s own equity instruments as an equity instrument if the exercise price is fixed in any currency. This exception is not provided in IAS 32.

IAS 39 requires all changes in fair values in case of financial liabilities designated at fair value through Profit and Loss at initial recognition shall be recognised in profit or loss. IFRS 9 which will replace IAS 39 requires these to be recognised in ‘other comprehensive income’

Carve out
A proviso has been added to paragraph 48 of Ind AS 39 that in determining the fair value of the financial liabilities which upon initial recognition are designated at fair value through profit or loss, any change in fair value consequent to changes in the entity’s own credit risk shall be ignored.

5. Ind AS 103, Business Combinations

IFRS 3 requires bargain purchase gain arising on business combination to be recognised in profit or loss.

Carve out
Ind AS 103 requires the same to be recognised in other comprehensive income and accumulated in equity as capital reserve, unless there is no clear evidence for the underlying reason for classification of the business combination as a bargain purchase, in which case, it shall be recognised directly in equity as capital reserve.

6. Ind AS 101, First-time Adoption of Indian Accounting Standards (i)
Presentation of comparatives in the First-time Adoption of Indian Accounting Standards (Ind AS) 101 (corresponding to IFRS 1)

IFRS 1 defines transitional date as beginning of the earliest period for which an entity presents full comparative information under IFRS. It is this date which is the starting point for IFRS and it is on this date the cumulative impact of transition is recorded based on assessment of conditions at that date by applying the standards retrospectively except to the extent specifically provided in this standard as optional exemptions and mandatory exceptions. Accordingly, the comparatives, i.e., the previous year figures are also presented in the first financial statements prepared under IFRS on the basis of IFRS.

Carve out
Ind AS 101, requires an entity to provide comparatives as per the existing notified Accounting Standards. It is provided that, in addition to aforesaid comparatives, an entity may also provide comparatives as per Ind AS on a memorandum basis.

(ii) Presentation of reconciliation

IFRS 1 requires reconciliations for opening equity, total comprehensive income, cash flow statement and closing equity for the comparative period to explain the transition to IFRS from previous GAAP.

Carve out
Ind AS 101 provides an option to provide a comparative period financial statements on memorandum basis. Where the entities do not exercise this option and, therefore, do not provide comparatives, they need not provide reconciliation for total comprehensive income, cash flow statement and closing equity in the first year of transition but are expected to disclose significant differences pertaining to total comprehensive income. Entities that provide comparatives would have to provide reconciliations which are similar to IFRS.

(iii) Cost of Non-current Assets Held for Sale and Discontinued Operations on the date of transition on First-time Adoption of Indian Accounting Standards (Ind AS)

Carve out
Ind AS 101 provides transitional relief that while applying Ind AS 105 - Non-current Assets Held for Sale and Discontinued Operations, an entity may use the transitional date circumstances to measure such assets or operations at the lower of carrying value and fair value less cost to sell.

(iv) Foreign currency gains/losses on translation of long term monetary items.

Carve out
Ind AS 101 provides that on the date of transition, if there are long-term monetary assets or long-term monetary liabilities mentioned in paragraph 29A of Ind AS 21, an entity may exercise the option mentioned in that paragraph regarding spreading over the unrealised Gains/Losses over the life of Assets/Liabilities either retrospectively or prospectively. If this option is exercised prospectively, the accumulated exchange differences in respect of those items are deemed to be zero on the date of transition.

(v) Financial instruments existing on transition date

Carve out
Ind AS 101 provides that the financial instruments carried at amortised cost should be measured in accordance with Ind AS 39 from the date of recognition of financial instruments unless it is impracticable (as defined in Ind AS 8) for an entity to apply retrospectively the effective interest method or the impairment requirements of Ind AS 39. If it is impracticable to do so then the fair value of the financial asset at the date of transition to Ind-ASs shall be the new amortised cost of that financial asset at the date of transition to Ind ASs. Ind AS 101 provides another exemption that financial instruments measured at fair value shall be measured at fair value as on the date of transition to Ind AS.

(vi) Definition of previous GAAP under Ind AS 101 First-time Adoption of Indian Accounting Standards

IFRS 1 defines previous GAAP as the basis of accounting that a first-time adopter used immediately before adopting IFRS.

Carve out
Ind AS 101 defines previous GAAP as the basis of accounting that a first-time adopter used immediately before adopting Ind ASs for its reporting requirements in India. For instance, for companies preparing their financial statements in accordance with the existing Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 shall consider those financial statements as previous GAAP financial statements.

(vii) Cost of Property, Plant and Equipment (PPE), Intangible Assets, Investment Property, on the date of transition of First-time Adoption of Indian Accounting Standards.

Ind AS 101 provides an entity an option to use carrying values of all assets as on the date of transition in accordance with previous GAAP as an acceptable starting point under Ind AS.

B.Carve-outs for specific industries

7. Ind AS 18-Revenue
On the basis of principles of the IAS 18, IFRIC 15 on Agreement for Construction of Real Estate, prescribes that construction of real estate should be treated as sale of goods and revenue should be recognised when the entity has transferred significant risks and rewards of ownership and has retained neither continuing managerial involvement nor effective control.

**Carve out**
IFRIC 15 has not been included in Ind AS 18, Revenue. Such agreements have been scoped out from Ind AS 18 and have been included in Ind AS 11, Construction Contracts.

8. **Ind AS 18- Revenue**

**Carve out**
A footnote has been added in paragraph 1 to Ind AS 18, Revenue, that for rate regulated entities, this standard shall stand modified, where and to the extent the recognition and measurement of revenue of such entities is affected by recognition and measurement of regulatory assets/liabilities as per the Guidance Note on the subject being issued by the Institute of Chartered Accountants of India.

9. **Indian Accounting Standard on Agriculture (Corresponding to IAS 41)**

IAS 41, Agriculture, requires measurement of biological assets, viz., living animals and plants at fair value and recognizing gains and losses arising on such measurement in profit or loss, unless ascertainment of fair value is unreliable.

**Carve out**
It has been decided to revise the Standard and not to issue the standard as it is.

10. **Ind As -19 Employee Benefits vis-à-vis IFRSs/IASs restricting options.**

According to Ind AS 19 the rate to be used to discount post-employment benefit obligation shall be determined by reference to the market yields on government bonds, whereas under IAS 19, the government bonds can be used only where there is no deep market of high quality corporate bonds. To illustrate treatment of gratuity subject to ceiling under Indian Gratuity Rules, an example has been added in Ind AS 19. IAS 19 permits various options for treatment of actuarial gains and losses for post employment defined benefit plans whereas Ind AS 19 requires recognition of the same in other comprehensive income, both for post-employment defined benefit plans and other long-term employment benefit plans. The actuarial gains recognised in other comprehensive income should be recognised immediately in retained earnings and should not be reclassified to profit or loss in a subsequent period.
**User Guide on Paying MCA21 Fees Via NEFT**

**Introduction:**
Currently MCA21 payments are allowed via Credit Card, Internet Banking & Physical Challan. The Ministry has authorized 5 banks (Indian Bank, HDFC, ICICI, PNB and SBI) for collection of MCA21 fees, which means that only the account holders of these banks can avail Internet banking facility. Further, payment via challan can only be made in the authorized branches of these above five banks. Though this was a major improvement compared to the earlier manual system, it caused delays in incorporation of companies and processing of other eForms.

In order to eliminate inconveniences caused due to payment processing delays, Ministry is introducing payment of MCA fees via NEFT (National Electronic Fund Transfer) mode, in addition to already exiting payment methods.

**Process flow of payment of MCA21 fees using NEFT:**

1. **MCA21**
   - Upload eForm
   - Select NEFT as payment option
   - Generate SRN
   - Generate NEFT Challan

2. **Bank Portal**
   - Login to bank portal
   - Using internet banking, transfer funds to one of MCA account
   - Obtain Unique Transaction (Txn) Id

3. **Banks**
   - Inform MCA21 of successful payment
   - If payment confirmation reached MCA21
   - If payment confirmation didn’t reach MCA21

4. **MCA21**
   - Link Unique Txn Id, SRN, Payee A/C, Payee bank IFSC
   - Wait for payment confirmation to reach MCA21 or approach bank branch
   - On successful linking

---

**NEFT User Guide**
Walk, ride a bike, or use public transportation whenever possible.

Keep vehicles well maintained. Under-inflated tires and dirty air-intake filters can significantly reduce gas mileage.

1. User uploads eForm, selects 'NEFT' as payment option, generates a SRN and an eChallan which contains the procedure for conducting the NEFT transfer;
2. User transfer funds to one of the MCA21 account, via internet banking facility offered by their bank in which they hold an account. User may quote SRN in the remark column;
3. User’s bank provides a unique transaction number (UTN) for the NEFT transfer;
4. Banks will inform MCA21 system in four to five working hours about the payment along with the UTN;
5. User logs in to MCA21 and link UTN and SRN. Additionally, for verification purpose, user will have to provide date of payment, IFSC code and account number from which the transfer was carried out and the amount. If the payment has been notified to MCA21 system and the details are matching, then the linking will be successful and MCA21 will create work item for further processing.
6. If details of payment for the SRN is still not received from banks, an information message is displayed to user to link SRN & UTN at a later time; If details doesn’t match an error message is shown to the user.

What is NEFT?
NEFT is a nation-wide system that facilitates electronic transfer of funds from any bank branch to account holder of any other bank branch. The list of NEFT-enabled branches is available in the RBI website.

Presently, NEFT operates in hourly batches - there are eleven settlements from 9 am to 7 pm on weekdays and five settlements from 9 am to 1 pm on Saturdays.

NEFT transaction charges are available in the RBI website and are in addition to MCA21 filing fee.

Further details on NEFT can be found in the RBI website (http://www.rbi.org.in/scripts/FAQView.aspx?Id=60)

Notes for Information:
1) SRN will expire if payment doesn’t reach MCA21 on time. Hence users should transfer funds well in advance taking into consideration of bank holidays and the settlement window mentioned as earlier.
2) Full amount has to be transferred in single transaction for a particular SRN. Amount can’t be dividend into multiple payments.
Walk, ride a bike, or use public transportation whenever possible.

Keep vehicles well maintained. Under-inflated tires and dirty air-intake filters can significantly reduce gas mileage.

GREEN INITIATIVE IN CORPORATE GOVERNANCE

All the Regional Directors,
All the Registrar of Companies

Sub: Green Initiative in the Corporate Governance -- Issue of Certificates by Digital Signature

Sir,

The Ministry has issued a General Circulars No. 29/2011 dated 20.05.2011 wherein it was informed that in order to cut timelines and another step towards “Green Initiative” it has been decided that all certificates and standard letters issued by the Registrar of Companies will now be issued electronically under the Digital Signature of the Registrar of Companies.

In this regard, Ministry has already developed thirteen (13) such digitally signed certificates and the same has been implemented under MCA-21 system as mentioned below: --

COMPANIES (DEMATERRIALIZATION OF CERTIFICATES) RULES, 2011

No 17/143/2011-CLV
Government of India
Ministry of Corporate Affairs

5th floor, ‘A’ Wing, Shastri Bhawan,
Dr. Rajendra Prasad Road, New Delhi
Dated: 06.06.2011

All the Regional Directors,
All the Registrar of Companies
All stakeholders

Subject: Companies (Dematerialization of Certificates) Rules, 2011

Sir,

The Ministry of Corporate Affairs is considering to issue Companies (Dematerialization of Certificates) Rules, 2011 so that all public Companies and their subsidiaries which have raised money by issue of shares, debentures, by accepting public deposits, stock, bond or any other financial instruments from public, other than from directors of the company, shall be required to issue and keep such share certificates, debenture certificates and certificates issued for receipt of deposits, stock, bond or any other financial instruments in dematerialized form only, in the manner prescribed in the Depositories Act, 1996 and regulation made there under.

You are requested to examine the draft rules and furnish your comments / recommendations to the Ministry latest by 30th June, 2011 by e-mail on the following e-mail addresses.

monika.gupta@mca.gov.in
kamna.sharma@mca.gov.in

Yours faithfully,

(Monika Gupta)
Assistant Director

‘DRAFT’

[TO BE PUBLISHED IN THE GAZETTE OF INDIA EXTRAORDINARY PART II, SECTION 3, SUB-SECTION (i)]

GOVERNMENT OF INDIA
MINISTRY OF CORPORATE AFFAIRS

NOTIFICATION

New Delhi, the June, 2011
1. Short title and commencement:

(1) These rules may be called the Companies (Dematerialization of Certificates) Rules, 2011.

2) They shall come into force from 1st October, 2011.

2. In these rules, unless the context otherwise requires.

(a) “Act” means the Companies Act, 1956 (1 of 1956);

(b) “certificate” means share certificate, debenture certificate, deposit certificate, stock, bond or any other certificate or financial instrument through which money has been raised from the public;

(c) The words & expressions used in these rules but not defined in these rules shall have the same meanings respectively assigned to them in the Act or Depositories Act, 1996.

3. All public Companies and their subsidiaries which have raised money by issue of shares, debentures, by accepting public deposits, stock, bond or any other financial instruments from public, other than from directors of the company, shall issue and keep such share certificates, debenture certificates and certificates issued for receipt of deposits, stock, bond or any other financial instruments in dematerialized form only, in the manner prescribed in the Depositories Act, 1996 and regulation made there under.

4. The companies falling in above categories shall convert their existing such certificates mentioned in para (3) above into dematerialized form by 30th September, 2011.

General Circular 37/2011

17/70/2011 –CL.V
Government of India
Ministry of Corporate Affairs

5th Floor, A Wing, Shastri Bhavan,
Dr. R.P. Road, New Delhi
Dated the 07.06.2011

To
All Regional Directors
All Registrar of Companies

Subject: Filing of Balance Sheet and Profit and Loss Account in eXtensible Business Reporting Language (XBRL) mode.

In supersession of this Ministry’s Circular no. 9/2011 dated 31.03.2011 and 25/2011 dated 12.05.2011, Ministry of Corporate Affairs hereby mandated certain class of companies to file Balance sheets and Profit and loss Account alongwith Director’s and Auditor’s Report for the year 2010-11 onwards by using XBRL taxonomy. The Taxonomy Business Rules, Validity tools etc required for preparation the above documents in XBRL format as the existing Schedule VI and Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 have been prepared and hosted on the website of the Ministry at www.mca.gov.in. The Frequently Asked Questions (FAQs) about XBRL have been framed by the Ministry and they are being annexed as Annexure I with this circular for the information and easy understanding of the stakeholders. To enable filing on XBRL by stakeholders, MCA-21 portal will have XBRL filing module by July, 2011. Actual date will be informed separately.

Coverage in Phase I

2. The following class of companies have to file the Financial Statements in XBRL Form only from the year 2010-2011 :-

(i) All companies listed in India and their Indian subsidiaries;
(ii) All companies having a paid up capital of Rs. 5 Crore and above
(iii) All companies having a turnover of Rs 100 crore and above.
However banking companies, insurance companies, power companies and Non Banking Financial Companies (NBFCs) are exempted for XBRL filing, till further orders.

Additional Fee Exemption
3. All companies falling in Phase –I whose Balance Sheets are adopted in the Annual General Meeting held before 30.09.2011 are permitted to file upto 30-09-2011 without any additional filing fee. However, where companies hold the Annual General Meeting in the month of September 2011, they will file the Balance Sheet within 30 days from the date of adoption in the General Meeting as per section 220 of the Companies Act, 1956.

Training Requirement
4. Stakeholders desirous to have training on the XBRL or on taxonomy related issues, may contact the persons as mentioned in Annexure II.

Frequently Asked Questions

1. What is XBRL?

XBRL is a language for the electronic communication of business and financial data which is revolutionizing business reporting around the world. It provides major benefits in the preparation, analysis and communication of business information. It offers cost savings, greater efficiency and improved accuracy and reliability to all those involved in supplying or using financial data. XBRL stands for eXtensible Business Reporting Language. It is already being put to practical use in a number of countries and implementations of XBRL are growing rapidly around the world.

2. Who developed XBRL?

XBRL is an open, royalty-free software specification developed through a process of collaboration between accountants and technologists from all over the world. Together, they formed XBRL International which is now made up of over 650 members, which includes global companies, accounting, technology, government and financial services bodies. XBRL is and will remain an open specification based on XML that is being incorporated into many accounting and analytical software tools and applications.

3. What are the advantages of XBRL?

XBRL offers major benefits at all stages of business reporting and analysis. The benefits are seen in automation, cost saving, faster, more reliable and more accurate handling of data, improved analysis and in better quality of information and decision making. XBRL enables producers and consumers of financial data to switch resources away from costly manual processes, typically involving time-consuming comparison, assembly and re-entry of data. They are able to concentrate effort on analysis, aided by software which can validate and process XBRL information. XBRL is a flexible language, which is intended to support all current aspects of reporting in different countries and industries. Its extensible nature means that it can be adjusted to meet particular business requirements, even at the individual organization level.

4. Who can benefit from using XBRL?

All types of organizations can use XBRL to save costs and improve efficiency in handling business and financial information. Because XBRL is extensible and flexible, it can be adapted to a wide variety of different requirements. All participants in the financial information supply chain can benefit, whether they are preparers, transmitters or users of business data.

5. What is the future of XBRL?

XBRL is set to become the standard way of recording, storing and transmitting business financial information. It is capable of use throughout the world, whatever the language of the country concerned, for a wide variety of business purposes. It will deliver major cost savings and gains in efficiency, improving processes in companies, governments and other organisations.

6. Does XBRL benefit the comparability of financial statements?
Walk, ride a bike, or use public transportation whenever possible.

Keep vehicles well maintained. Under-inflated tires and dirty air-intake filters can significantly reduce gas mileage.

XBRL benefits comparability by helping to identify data which is genuinely alike and distinguishing information which is not comparable. Computers can process this information and populate both pre defined and customised reports.

7. Does XBRL cause a change in accounting standards?

No. XBRL is simply a language for information. It must accurately reflect data reported under different standards – it does not change them.

8. What are the benefits to a company from putting its financial statements into XBRL?

XBRL increases the usability of financial statement information. The need to re-key financial data for analytical and other purposes can be eliminated. By presenting its statements in XBRL, a company can benefit investors and other stakeholders and enhance its profile. It will also meet the requirements of regulators, lenders and others consumers of financial information, who are increasingly demanding reporting in XBRL. This will improve business relations and lead to a range of benefits.

With full adoption of XBRL, companies can automate data collection. For example, data from different company divisions with different accounting systems can be assembled quickly, cheaply and efficiently. Once data is gathered in XBRL, different types of reports using varying subsets of the data can be produced with minimum effort. A company finance division, for example, could quickly and reliably generate internal management reports, financial statements for publication, tax and other regulatory filings, as well as credit reports for lenders. Not only can data handling be automated, removing time-consuming, error-prone processes, but the data can be checked by software for accuracy.

9. How does XBRL work?

XBRL makes the data readable, with the help of two documents – Taxonomy and instance document. Taxonomy defines the elements and their relationships based on the regulatory requirements. Using the taxonomy prescribed by the regulators, companies need to map their reports, and generate a valid XBRL instance document. The process of mapping means matching the concepts as reported by the company to the corresponding element in the taxonomy. In addition to assigning XBRL tag from taxonomy, information like unit of measurement, period of data, scale of reporting etc., needs to be included in the instance document.

10. How do companies create statements in XBRL?

There are a number of ways to create financial statements in XBRL:

- XBRL-aware accounting software products are becoming available which will support the export of data in XBRL form. These tools allow users to map charts of accounts and other structures to XBRL tags.

- Statements can be mapped into XBRL using XBRL software tools designed for this purpose.

- Data from accounting databases can be extracted in XBRL format. It is not strictly necessary for an accounting software vendor to use XBRL; third party products can achieve the transformation of the data to XBRL.
Applications can transform data in particular formats into XBRL. The route which an individual company may take will depend on its requirements and the accounting software and systems it currently uses, among other factors.

11. Is India a member of XBRL International?

India is now an established jurisdiction of XBRL International. A separate company, under section 25 has been created, to manage the operations of XBRL India. The main objectives of XBRL India are

To create awareness about XBRL in India
To develop and maintain Indian Taxonomies
To help companies, adopt and implement XBRL.

For more information, visit www.xbrl.org/in

12. Which taxonomies developed for Indian reporting requirements? Where can I find the taxonomies?

Taxonomies for Indian companies are developed based on the requirements of

- Schedule VI of Companies Act,
- Accounting Standards, issued by ICAI
- SEBI Listing requirements.

Taxonomies for Manufacturing and service sector (referred as Commercial and Industrial, or C&I) and Banking sector, is acknowledged by XBRL International. These taxonomies are available at http://www.xbrl.org/in/

13. Where can I find more information about XBRL?

Please visit www.xbrl.org. Also Ministry of Corporate Affairs would be shortly developing its webpage on XBRL with list of contact persons for training purposes.

14. What are XBRL Documents?

An XBRL document comprises the taxonomy and the instance document. Taxonomy contains description and classification of business & financial terms, while the instance document is made up of the actual facts and figures. Taxonomy and Instance document together make up the XBRL documents.

15. What is Taxonomy?

Taxonomy can be referred as an electronic dictionary of the reporting concepts. Taxonomy consists of all the data definitions, the basic XBRL properties and the interrelationships amongst the concepts. It includes terms such as net income, EPS, cash, etc. Each term has specific attributes that help define it, including label and definition and potentially references. Taxonomies may represent hundreds or even thousands of individual business reporting concepts, mathematical and definitional relationships among them, along with text labels in multiple languages, references to authoritative literature, and information about how to display each concept to a user.
16. What is meant by extending taxonomy?

Taxonomy is extended to accommodate items/relationship specific to the owner of the information. Taxonomy extension therefore can be

a) Modification in the existing relationships

b) Addition of new elements in the taxonomy

c) Combination both a & b

17. Are Taxonomies based on any standards?

Yes, taxonomies are based on the regulatory requirements and standards which are to be followed by the companies. Accordingly, depending on the requirements of every country, there can be country-specific taxonomies.

18. What is an Instance document?

An XBRL instance document is a business report in an electronic format created according to the rules of XBRL. It contains facts that are defined by the elements in the taxonomy it refers to, together with their values and an explanation of the context in which they are placed. XBRL Instances contain the reported data with their values and “contexts”. Instance document must be linked to at least one taxonomy, which defines the contexts, labels or references.

Thus, in order to concluded the usage and explain the XBRL technology which leads to more information exchanges that can be effectively automated by use. This one standard approach leads to the best interest of the company or more so for the international business interests globally that warrant the accuracy of all the financial data for the end users and early collaborative decisions by the companies or those whose interest is involved for acquisition/ rights etc.

REDEMPTION OF FOREIGN CURRENCY CONVERTIBLE BONDS (FCCBs)

RBI/2011-12/105
A.P. (DIR Series) Circular No.01
(Last Circular of 2010-11 is 75)

July 04, 2011

To
All Category - I Authorised Dealer Banks

Madam / Sir,

Redemption of Foreign Currency Convertible Bonds (FCCBs)

Attention of the Authorised Dealer Category - I (AD Category - I) banks is invited to A. P. (DIR Series) Circular No.5 dated August 1, 2005, as amended from time to time, relating to instructions / guidelines in respect of External Commercial Borrowings (ECBs), which are also applicable, mutatis mutandis, to FCCBs.

2. Keeping in view the need to provide a window to facilitate refinancing of FCCBs by the Indian companies who may be facing difficulty in meeting the redemption obligations, it has been decided to consider applications for refinancing of FCCBs by Indian companies under the automatic route. Accordingly, designated AD Category - I banks may allow Indian companies to refinance the outstanding FCCBs subject to compliance with the terms and conditions set out hereunder:

i. Fresh ECBs/ FCCBs shall be raised with the stipulated average maturity period and applicable all-in-cost being as per the extant ECB guidelines;
ii. The amount of fresh ECB/FCCB shall not exceed the outstanding redemption value at maturity of the outstanding FCCBs;
iii. The fresh ECB/FCCB shall not be raised six months prior to the maturity date of the outstanding FCCBs;
iv. The purpose of ECB/FCCB shall be clearly mentioned as ‘Redemption of outstanding FCCBs’ in Form 83 at the time of obtaining Loan Registration Number from the Reserve Bank;
v. The designated AD - Category I bank should monitor the end-use of funds;
vi. All other aspects of ECB policy under the automatic route, such as, eligible borrower, recognised lender, end-use, prepayment, refinancing of existing ECB and reporting arrangements shall remain unchanged;
vii. ECB / FCCB beyond USD 500 million for the purpose of redemption of the existing FCCB will be considered under the approval route; and
viii. ECB / FCCB availed of for the purpose of refinancing the existing outstanding FCCB will be reckoned as part of the limit of USD 500 million available under the automatic route as per the extant norms.
Walk, ride a bike, or use public transportation whenever possible.

Keep vehicles well maintained. Under-inflated tires and dirty air-intake filters can significantly reduce gas mileage.

CS Update
July 05, 2011

3. Restructuring of FCCBs involving change in the existing conversion price is not permissible. Proposals for restructuring of FCCBs not involving change in conversion price will, however, be considered under the approval route depending on the merits of the proposal.

4. The policy will be subject to review at an appropriate time depending upon evolving macroeconomic conditions and other relevant factors.

5. This facility shall come into force with immediate effect.

6. AD Category - I banks may bring the contents of this circular to the notice of their constituents and customers concerned.

7. The directions contained in this circular have been issued under sections 10 (4) and 11 (1) of the Foreign Exchange Management Act, 1999 (42 of 1999) and are without prejudice to permissions / approvals, if any, required under any other law.

Yours faithfully,

(Rashmi Fauzdar)
Chief General Manager

ESTABLISHMENT OF CONNECTIVITY WITH BOTH DEPOSITORIES NSDL AND CDSL

CIRCULAR

CIR/MRD/DP/ 09 /2011
July 01, 2011

To,

All Stock Exchanges

Dear Sir / Madam,

Sub: Establishment of Connectivity with both depositories NSDL and CDSL – Companies eligible for shifting from Trade for Trade Settlement (TFTS) to normal Rolling Settlement

1. It is observed from the information provided by the depositories that the companies listed in Annexure ‘A’ have established connectivity with both the depositories.

2. The stock exchanges may consider shifting the trading in these securities to normal Rolling Settlement subject to the following:
   a) At least 50% of other than promoter holdings as per clause 35 of Listing Agreement are in dematerialized mode before shifting the trading in the securities of the company from TFTS to normal Rolling Settlement. For this purpose, the listed companies shall obtain a certificate from its Registrar and Transfer Agent (RTA) and submit the same to the stock exchange/s. However, if an issuer-company does not have a separate RTA, it may obtain a certificate in this regard from a practicing company Secretary/Chartered Accountant and submit the same to the stock exchange/s.
   b) There are no other grounds/reasons for continuation of the trading in TFTS.

3. The Stock Exchanges are advised to report to SEBI, the action taken in this regard in the Monthly/Quarterly Development Report.

Yours faithfully,

Harini Balali
Deputy General Manager

TAX LAW UPDATE
IMPORT OF HAZARDOUS WASTE UNDER HAZARDOUS WASTE (MANAGEMENT, HANDLING AND TRANSBOUNDARY) RULES, 2008

Circular No.27/2011-Customs

F. No.401/130/2011-Cus III
Government of India
Ministry of Finance
Department of Revenue
Central Board of Excise & Customs

Room No. 253-A, North Block,
New Delhi -110001.
4th July 2011.

To,
All Chief Commissioners of Customs/ Customs (Prev.)
All Chief Commissioners of Customs & Central Excise
All Directors General of CBEC,
All Commissioners of Customs / Customs (Prev.)
All Commissioners of Customs & Central Excise
All Commissioners of Customs (Appeals)
All Commissioners of Customs & Central Excise (Appeals).

Sir/Madam,

It is reported to the Board that e-wastes such as used computers, CRT, RAM and electrical and electronic assemblies are being dumped in a big way into the country thereby posing serious threat to environment. References have also been received seeking clarification whether used computers imported for re-use need permission of Ministry of Environment and Forest before clearance.

2. As the field formations are aware, the import and export of hazardous wastes is regulated by the Hazardous Waste (Management, Handling and Transboundary) Rules, 2008. Chapter IV of these Rules deals with import and export of hazardous wastes and Rule 13 thereof states that import of such wastes shall be allowed only for recycling, or recovery or reuse and not for disposal. Further, Rule 14 thereof provides that import and export of hazardous wastes specified in Schedule III shall be regulated in accordance with the conditions specified therein. A perusal of the said Schedule III shows that entries at A1180 and B1110 are relevant for electrical and electronic assemblies.

3. In this regard, the administrative Ministry viz. Ministry of Environment and Forests has been consulted and they have confirmed
that items at A1180 of the said Schedule III relating to waste electrical and electronic assemblies or scrap containing components such as accumulators and other batteries etc. require Prior informed Consent. It is also confirmed that items at B1110 of the said Schedule III can be imported with permission from Ministry of Environment and Forests. This entry includes electrical and electronic assemblies (including printed circuit board electronic components and wires) destined for direct re-use and not for recycling or final disposal. The Ministry of Environment and Forests has also confirmed that imports of second hand computers would require the permission of that Ministry.

4. In view of the above, the Board desires that the field formations should carefully and strictly implement the provisions of Hazardous Waste (Management, Handling and Transboundary) Rules, 2008. In particular, it should be noted that all imported goods falling within the purview of entry B 1110 of Part B of Schedule III of the said Rules, indicating second hand computers, would require the permission of the Ministry of Environment and Forests for import into India. It merits mention that the field formations should also refer to Rule 17 of the said Rules that treats contravening imports as illegal traffic requiring the importer to re-export the wastes at his cost within 90 days from the date of arrival. We must ensure that India does not become a destination for dumping junk electronic products.

5. These instructions may be brought the notice of all concerned by way of issuance of a suitable Public Notice/Standing Order.

6. Difficulties, if any, in implementation of these instructions may be immediately brought to the notice of the Board.

Yours faithfully,

(Vikas)
Under Secretary (Customs-III/VI)
INCOME-TAX (SIXTH AMENDMENT) RULES, 2011 - AMENDMENT IN RULE 12

In exercise of the powers conferred by section 295, read with section 139 of the Income-tax Act, 1961 (43 of 1961), the Central Board of Direct Taxes hereby makes the following rules further to amend the Income-tax Rules, 1962, namely :

1. (1) These rules may be called the Income-tax (Sixth Amendment) Rules, 2011.

(2) They shall come into force from the date of its publication in the Official Gazette.

2. In the Income-tax Rules, 1962 in rule 12, in sub-rule (3), in the proviso, for clauses (a) and (aa) the following clause shall be substituted, namely :

"(a) a firm required to furnish the return in Form ITR-5 or an individual or Hindu Undivided Family (HUF) required to furnish the return in Form ITR-4 and to whom provisions of section 44AB are applicable, shall furnish the return for assessment year 2011-12 and subsequent assessment years in the manner specified in clause (ii);"
