### Dear Students

नास्ति विद्यासमो बन्धुर्नास्ति विद्यासमः सुहृत् । नास्ति विद्यासमं वित्तं नास्ति विद्यासमं सुखम् ॥  
(विद्या जैसा बंधु नहीं, विद्या जैसा मित्र नहीं, (और) विद्या जैसा अन्य कोई धन या सुख नहीं ।)

I am sure that the month of June must have been quite busy for all of you owing to your exams and now you must be looking forward for the announcement of your results in order to relish the fruits of your hard work with flying colors.

Friends, the path towards learning and edification is not made of parallel lines, rather it is a circle of various activities throughout the year. A student persistently engage himself in studying, take preparation for the exam, awaits result and schedules for success. For sailing smooth, the student should have some qualities like focussed approach with determination, commitment and willingness for hard work to succeed. Also, they should have to take challenges bravely rather than focusing on problems.

Though, the collective set of all qualities lead the students towards their desired path of success and accomplishment, yet one of the very important characteristics of a student is to attain the holistic development. This will facilitate to excel in both personal and professional life.

In order to provide a platform to the students for their inclusive growth and also to create vibrancy and awareness about social causes among the students, the month of July is celebrated as “**Student Month of ICSI**” every year, which aims at the holistic development of students through their engagement in various activities organized by the Institute throughout the country. Taking this initiative forward, this year too, several activities for the students are scheduled to be organized during the ICSI Student Month, 2019 on Pan India basis at Regional and Chapters offices of the Institute.

I am sure that, the exclusive celebration of ‘Student Month’ would witness much stronger cods this time confirming number of activities and involving the large participation of students.

At the end I would like quote that ‘Alphabet ‘O’ stands for ‘OPPORTUNITY’, which is absent in ‘YESTERDAY’ available once in T’O’DAY and thrice in T’O’M’O’RR’O’W. So never lose Hope’.

Wishing you all the best for Student Month, 2019 and looking forward to your wider Participation.

Best Wishes

**CS Ranjeet Pandey**  
President, ICSI
