Dear Students,

Greetings from the ICSI !!!

The month of February while on one hand marks the change of season, the celebration of wisdom by seeking blessings of Maa Sharde on Vasant Panchami, it is one of the months which decides the fate of the students of the Institute who have attempted the December session of Examinations. As I fully understand your eagerness to be able to lay your hands on the results, I am confident that your sheer determination and dedication will definitely lead you to success.

This being my first address with you, while I feel extremely privileged to share my thoughts with you through the pages of this Newsletter, I would like to share my mantra with you not just for acing any examinations but for life. To me, any academic journey goes beyond the boundation of examinations and marks, for acquiring education is an eternal process. Frankly, it can be said without an iota of doubt that there is no alternative to education; the more we learn, the more we grow and attain excellence in our academic and professional endeavours. The power of knowledge is such that it assists in triggering positive changes in the
organization, motivating embracing of new approaches, ensuring holistic development of the organization.

Being students of Executive and Professional Programme, by now you would have grasped a basic understanding of the expansive roles played by a Company Secretary and their dynamic natures entailing. Needless to say, as a Governance Professional, one must be thoroughly conversant with various crucial facets of the legal, economic, technological and business environment. The Institute itself places great focus upon pursuing knowledge upgradation initiatives not just for our students but capacity building initiatives for our members as well even after they have become full-fledged Company Secretaries and embarked on their journey of serving the India Inc.

Understanding the placing and pedestal of Company Secretaries on the global forum in the world of corporate governance, it is imperative that future legion of Governance Professionals possesses robust knowledge. For as Nelson Mandela says and I quote,

“Education is the most powerful weapon which you can use to change the world.”

Looking forward to your continued participation and support in all future endeavours!!!

With warm regards,

(CS Nagendra D. Rao)

Any income of the nature of capital gains, arising or received by a non-resident, which is on account of relocation from the original fund to the resultant fund shall be exempt.

Section 47 of the Act is also amended to insert new clauses in the said provision so as to provide that any transfer, in relocation, of a capital asset by the original fund to the resultant fund shall not be considered as transfer for capital gains tax purpose.

Any transfer by a shareholder or unit holder or interest holder, in relocation, of a capital asset being a share or unit or interest held by him in the original fund in consideration for the share or unit or interest in the resultant fund shall not be treated as transfer for the purpose of capital gains.

Explanation to Sections 47(viiac) and 47 (viiad) provide the definition of the terms ‘Original Fund’, ‘Relocation’ and ‘Resultant Fund’.

### 5. Income based deductions for units located in IFSC from payment of income-tax

The deduction will now be available to a unit of an IFSC, if it is registered under the IFSC Authority Act, 2019 and thereby removes the earlier requirement of obtaining permission under any other relevant law.

The income arising from transfer of an asset, being an aircraft or aircraft engine which was leased by a unit under Section 80LA (2)(c) to a domestic company engaged in the business of operation of aircraft before such transfer shall also be eligible for 100% deduction, subject to condition that the unit has commenced operations on or before 31st March 2024.

| 7. | **194A** | **Withholding of tax on payment of interest**  
The provisions of Section 194A are not applicable on interest paid or payable by an infrastructure capital company or infrastructure capital fund or a public sector company or scheduled bank in relation to a zero coupon bond issued by them. It is now proposed to widen the scope of the above exemption to include interest paid or payable by an infrastructure debt fund in relation to a zero coupon bond issued by such fund. |
| 8. | **44DB & 47** | **Special provision for computing deduction in the case of business reorganization of co-operative banks**  
Section 44DB of the Act provides for the method of computing deductions in the case of business reorganization of co-operative banks, so as to enable seamless reorganization of the banks.  
In order to provide a further impetus to these banks, an amendment to Section 44DB has been proposed to expand the scope of business reorganization by including within its ambit, the conversion of a primary co-operative bank into a banking company. This would allow the cooperative banks to avail the deduction even if the result of the reorganization is a banking company.  
Further it is also proposed that transfer of a capital asset by the primary co-operative bank to the banking company as a result of conversion shall not be treated as transfer under section 47 of the Act. Consequently, the allotment of shares of the converted banking company to the shareholders of the predecessor primary co-operative bank shall not be treated as transfer under the said section of the Act. |
| 9. | **2(19AA)& 72A** | **Definition of ‘Demerger’ and Carry forward and set off of accumulated loss and unabsorbed depreciation of public sector companies in case of amalgamation, etc.**  
Explanation 6 is proposed to be inserted to Section 2(19AA) clarifying that the reconstruction or splitting up of a public sector company into separate companies shall be deemed to be a demerger, if such reconstruction or splitting up has been made to transfer any asset of the demerged company to the resultant company; and the resultant company is a public sector company on the appointed date indicated in the scheme approved by the government or any other body authorized under the provisions of the Companies Act, 2013 or any other Act governing such public sector companies in this behalf; and fulfils such other conditions as may be notified by the Central government in the Official Gazette.  
Further, Section 72A(1) is also proposed to be amended to the below extent: |
• The provisions of Section 72A(1)(c) have been substituted and shall now apply in case of amalgamation of one or more public sector company or companies with one or more public sector company or companies.

• Section 72A(1)(d) has been inserted and provides that in case of amalgamation of an erstwhile public sector company with one or more company or companies, if the share purchase agreement entered into under strategic disinvestment restricted immediate amalgamation of the said public sector company; and the amalgamation is carried out within five years from the end of the previous year in which the restriction on amalgamation in the share purchase agreement ends.

• A proviso has been inserted to Section 72A(1) to provide that in case of an amalgamation under Section 72A(1)(d), the accumulated loss and unabsorbed depreciation of amalgamated company shall not be more than the accumulated loss and unabsorbed depreciation of the public sector company, as on the date on which the public sector company ceases to be one as a result of strategic divestment.

• An explanation is inserted to Section 72A(1)(d) to define the expressions ‘control’, ‘erstwhile public sector company’ and ‘strategic disinvestment’.

10. **80-IAC & 54GB**

**Special provision in respect of specified business. [Start-ups]**

Section 80-IAC of the Act provides for a deduction of 100% of the profits and gains derived from an eligible business by an eligible start-up having turnover not exceeding INR 100 crores, for 3 consecutive assessment years out of 10 years, at the option of the assessee, subject to certain conditions, for an eligible start-up incorporated on or after the 1 April 2016 but before the 1 April 2021. It is now proposed to extend the period of incorporation of such eligible start-ups till 1 April 2022.

**Capital gain on transfer of residential property not to be charged in certain cases**

The provisions of Section 54GB, inter alia, provide for roll over benefit in respect of capital gains arising from the transfer of a long-term capital asset, being a residential property owned by the eligible assessee. In order to get benefit of this provision, the assessee is required to utilise the net consideration for subscription in equity shares of an eligible company before the due date of filing return of income. The benefit is only available for investment in the equity shares of eligible start-ups up to 31st March 2021.

It is proposed to amend the proviso to Section 54GB(5) so as to extend the outer date of investment in case of an eligible start-up, the capital

|   |   | • The transfer is by way of first time allotment of the residential unit to any person.
|   |   | • The consideration received or accruing as a result of such transfer does not exceed INR 2 crore.
|   |   | An explanation has been inserted to define the term ‘residential unit’. Consequential amendment is also proposed in Section 56(2)(x) to increase the safe harbour limit from 10% to 20% whereby, circle rate shall be deemed as sale/purchase consideration only if the variation between the agreement value and the circle rate is more than 20%.
| **12.** | **89A** | **Relief from taxation in income from retirement benefit account maintained in a notified country** |
|   |   | New Section 89A has been inserted to provide that in the case of a resident who was earlier a non-resident and had maintained an account in a notified country in respect of his retirement benefits and there was a mismatch with respect to taxability on withdrawal from the retirement fund i.e., in some cases, the income was charged on accrual basis in India, whereas the same was charged on receipt basis in the foreign country, In such case the income of a specified person from specified account shall be taxed in such manner and for such year as provided by the Rules.
| **13.** | **115JB** | **Rationalisation of provisions of Minimum Alternate Tax (MAT)** |
|   |   | The Finance Act, 2020, has scrapped the erstwhile dividend distribution tax and the burden of taxation of dividends has shifted from the issuer company to the shareholders receiving the dividends. As a result of the aforesaid amendment, the dividend income was under a dual computation mechanism, whereby the MAT provisions were applicable in case the tax payable as per the normal rates of tax was lower than the tax payable on the book profits.
|   |   | It is now proposed that the dividend income earned by the foreign company, like the income from royalty and fees for technical services, would now be excluded from the computation of the book profits under Section 115JB. In other words, **MAT provisions would not**
apply to foreign companies having only specified incomes like dividend income, royalty income and income from fees for technical services.

The provisions of Section 115JB state that 15% of the book profits of the company are payable as income-tax, in case the amount arrived at, is higher than the income-tax computed as per the normal provisions of the Act.

Sections 92CC and 92CE of the Act, deal with the provisions of Advance Pricing Agreements and Secondary Adjustments respectively. Both the Sections result in changes to income which gets reflected in the current year book profits of the company, even though the additions to the income as per the Act is of that particular year in which the adjustment is made. This resulted in inflation of the book profits of the current year, as the adjustments to the books of accounts are made in the current year, even though the additions are pertaining to the income of the earlier years.

Therefore, It has now been proposed that the AO, on the receipt of an application from the assessee, may re-compute the book profits for all the past years and then determine the tax liability for the previous year under consideration. Further, the said process would be considered as a proceeding akin to proceedings under the ambit of Section 154, as also the time limit of 4 years from the end of the financial year in which the application was received from the assessee similar to Section 154(7) of the Act, would be applicable.

Thus, since the income additions under Sections 92CC and Section 92CE are considered as part of past year book profits, the tax computation of the current year remains insulated from these additions and results in the correct computation of income under Section 115JB of the Act.

14. **Withholding of tax on payment of dividends**

Section 194 of the Act is proposed to be amended to provide for exemption with respect to withholding tax on dividend paid by a SPV [as referred to in Explanation to Section 10(23FC) of the Act] to a business trust [as defined under Section 2(13A) of the Act] or any other person as may be notified by the Central Government in Official Gazette.

15. **TDS on payment made to Foreign Institutional Investors (FIIs)**

Section 196D prescribes a withholding of tax at the rate of 20% on dividend paid to FIIs from securities under Section 115AD(1)(a).

A new proviso is inserted to Section 196D which provides that in case of a payee to whom an agreement under Section 90(1) or Section 90A(1) applies and such payee has furnished the tax residency

| 16. | 44AB | **Rationalisation of provisions relating to tax audit in certain cases**
Section 44AB provides for audit of accounts for every person carrying on business, if his total sales, turnover or gross receipts in business exceed or exceeds INR 1 crore in any previous year. The threshold limit for a person carrying on business is increased from INR 1 crore to INR 5 crore, where:
- the aggregate of all receipts in cash during the previous year does not exceed 5% of such receipt and
- the aggregate of all payments in cash during the previous year does not exceed 5% of such payment.

The threshold limit of tax audit in specified cases is now proposed to be increased to INR 10 crore, however the conditions mentioned above would still be applicable. |
| 17. | 234C | **Advance Tax Installment for dividend income**
Section 234C of the Act provides for payment of interest by an assessee who does not pay or fails to pay on time the advance tax installments as per section 208 of the Act. Sub section (1) of Section 208 of the Act provides for the relaxation that if the shortfall in the advance tax installment or the failure to pay the same on time is on account of the income listed therein, no interest under section 234C shall be charged provided the assessee has paid full tax in subsequent advance tax installments.

It is proposed to extend the above relaxation even in case of dividend income (other than deemed dividend as per Section 2(22)(e) of the Act) earned during the fiscal year. |
| 18. | 10(23C) | **Raising of prescribed limit for exemption under sub-clause (iia) and (iiae) of clause (23C) of section 10 of the Act**
For claiming exemption by universities, educational institutions and hospitals or other institutions under Section 10(23C) (iia) and (iiae) respectively, the annual receipt threshold has been increased from INR 1 crore to INR 5 crore. |
| 19. | 139 | **Return of Income**
1. **Individual and spouse governed by Portuguese Civil Code of 1860 and Tax Audit applicability:** It is proposed to amend Section 139 so as to align the due dates of filing of return of income for the assessee with his / her spouse, in case the provisions of tax audit are applicable, and they are governed by the Portuguese Civil Code of 1860 and Section 5A is applicable. |
In the erstwhile provisions there was a mismatch whereby the spouse had to file his / her return earlier by 31 July and the assessee was required to do so by 31 October, if the provisions of Section 44AB were applicable. Thus, the due date of 31st October would now be applicable to both the said assessee as well as his / her spouse, if either one of them is required to get his / her books audited.

2. Firm (cases where 92E applicable) & Partner: The earlier provisions for filing of return of income had a mismatch in case the provisions of Section 92E were applicable to the firm as the due date of filing return of income was 31st October for the partners but 30th November for the firm.

It is proposed to align the due date of filing Return of income under Section 139 to 30th November, for the partners of the firm to whom the provisions of Section 92E are applicable.

3. Belated Return: It is further proposed to pre-pone the due date of filing belated return of income under Section 139(4) to 31st December from the earlier time of 31st March of the next year, effectively reducing the window for filing the belated return of income by 3 months.

4. Revised Return: Similarly, it is also proposed to pre-pone the due date of filing revised return of income under Section 139(5) to 31st December from the earlier time of 31st March of the next year, effectively reducing the window for filing the revised return of income by 3 months.

5. Defective Return: It is further proposed to amend Section 139(9) which relates to cases where the Return of income would be considered as defective, so as to grant the Central Board of Direct Taxes (CBDT), the powers to declare such classes of assessees as excluded or excluded with modifications as the case may be, from the said conditions under which a return of income may be considered as a defective return.

As a result of the similar nature of payments, there was a controversy regarding the term ‘due date’ mentioned in the Section 36(1)(va) wherein, some High Courts had held that the due date mentioned, is the date of filing the return of income and not the mandatory date of payment under that specific Act.

Hence, the contribution made even after the due date under the specified Act but before the due date of filing the return of income was allowed as expenditure. There were conflicting decisions on both sides.

In order to clarify the issue, an amendment has been proposed under Explanation 2 to Section 36(1)(va) to provide specifically that the provisions of Section 43B are not applicable and further are deemed to never have been applicable for the purpose of determining the ‘due date’ under the Section 36(1)(va).

A corresponding clarification is also proposed to be inserted under Section 43B of the Act that the provision of the Section shall not apply to a sum received by the assessee from any of his employees to which the provisions of Section 2(24)(x) applies, as the same is covered in Section 36(1)(va) of the Act.

|     |       | In order to provide early tax certainty to small and medium taxpayers, it is proposed to introduce a new scheme for preventing new disputes and settling the issue at the initial stage. In this regard, The Central Government shall constitute one or more Dispute Resolution Committee (DRC) which shall resolve disputes of such persons or class of person which shall be specified by the Board. The assessee would have an option to opt for or not opt for the dispute resolution through the DRC.

Only those disputes where the returned income is 50 lakh rupee or less (if there is a return) and the aggregate amount of variation proposed in specified order is ten lakh rupees or less shall be eligible to be considered by the DRC. If the specified order is based on a search initiated under section 132 or requisition made under section 132A or a survey initiated under 133A or information received under an agreement referred to in section 90 or section 90A, of the Act, such specified order shall not be eligible for being considered by the DRC.

The scheme shall impart greater efficiency, transparency and accountability by eliminating interface to the extent technologically feasible, by optimising utilisation of resources and introducing dynamic jurisdiction.

| 23. 147 | **Income escaping assessment**

It is proposed that the scheme of reassessment as well as search assessment be substituted with a new procedure for the reassessment of income from 1 April 2021 onwards, which subsumes within its ambit both the assessment pursuant to search under Section 153A / 153C as well as reassessment under Section 147, under the erstwhile law.

It is proposed to substitute the existing Section 147 and introduce a new Section 147, wherein the AO may assess or reassess such income and also any other income chargeable to tax which has escaped assessment, subject to the provisions of Section 148 to 153.
It is further proposed to be clarified by way of an Explanation that the AO has the power to assess or reassess any issue subsequently during the assessment proceedings irrespective of the fact that the provisions of Section 148A have not been complied with.

It is proposed to substitute the erstwhile Section 148 of the Act and introduce a new Section 148, which stipulates that the assessee is to be served a notice under Section 148 along with the order under Section 148A, asking him to furnish his return of income. It has been provided that the issue of the notice would not be made unless there is information with the AO which suggests escapement of income, as also the necessary approvals have been taken from the specified authority under Section 151. The said return of income would be considered as a return of income filed under Section 139 and the provisions, so far as applicable may apply.

It has been clarified that information with the AO which suggests escapement of income to mean:

- Any information flagged in accordance with the risk management strategy formulated by the CBDT
- Any final objection raised by the C & AG of India to the effect that the assessment in the case of the assessee for the relevant assessment year has not been made in accordance with the provisions of this Act.
- It is also proposed to clarify by way of Explanation that any action under Section 132, 132A or 133A against the assessee or any money, bullion, jewellery or other valuable article or thing, seized or requisitioned in case of any other person belonging to the assessee after 01 April 2021 would be deemed to be considered as information with the AO which suggests income chargeable to tax has escaped assessment. Further, it has been clarified that the provisions of Section 148A would not be applicable to the assessee in these cases.

It is proposed to insert new Section 148A of the Act which requires that the AO, can if he requires conduct any inquiry with respect to the information which suggests that the income chargeable to tax has escaped assessment before the issue of notice under Section 148 of the Act, after prior approval of the authority prescribed under Section 151 of the Act.

Section 148A would require the AO to provide the assessee opportunity of being heard by serving him a show cause notice and asking him to reply within a specified time limit not exceeding 30 days from the date of the notice.

The AO shall consider the reply of the assessee in response to the show cause notice under Section 148A of the Act as well as the material before him and then pass an order under Section 148A of the Act, whether or not it is a fit case to issue notice under Section 148. The said order should be passed within 1 month from the end of the
| 24. | 142 (1) (i) | Inquiry before assessment  
The provisions of Section 133C of the Act give powers to the prescribed income-tax authority to ask for information and documents which may be useful or relevant to any inquiry or proceeding under the Act. However, the prescribed income-tax authority was not permitted to ask the assessee to file its return of income in case it had not been filed.  
It is now proposed to amend Section 142(1)(i) so as to include within the ambit of the assessing officer, the ‘prescribed income-tax authority’. Consequently, the prescribed income-tax authority can also mandate the assessee to file his return of income, in case the same is not filed.  
This is apart from and in addition to the powers of inquiry under Section 133C wherein information and documents relevant to proceedings can be asked for. |
| 25. | 255 | Procedure of Income-tax Appellate Tribunal (ITAT)  
Corresponding amendments have also been made in Section 151 and Section 151A of the Act to reflect the said assessment procedure.  
It is proposed to amend Section 153(1) by way of a proviso whereby the time limit of completion of assessments under Section 143 and Section 144 for AY 2021-22 onwards would be reduced to 9 months from the end of the assessment year in which the income is assessable.  
Consequential amendments have been also proposed in Section 153A and Section 153C, whereby the Sections would cease to apply to actions initiated after 1 April 2021.  
In cases where no reply is received within 1 month from the end of the month in which the time limit allowed has expired.

Section 149 of the Act has been substituted to provide that the reassessment provisions would not be applicable if 3 years have elapsed from the end of the relevant assessment year. However, in case the AO has in his possession books of accounts or other documents or evidence which reveal that the income chargeable to tax, represented in the form of asset, which has escaped assessment amounts to or is likely to amount to INR 50 lakh or more for that year, then the limitation period would get extended to 10 years from the end of the relevant assessment year.

It is further provided that the limitation period would be extended by the time limit allowed to the assessee to comply with the show cause notice under Section 148A, or the period during which the proceedings under Section 148A are stayed by an order or injunction of a court.

Corresponding amendments have also been made in Section 151 and Section 151A of the Act to reflect the said assessment procedure.

24. 142 (1) (i) Inquiry before assessment  
The provisions of Section 133C of the Act give powers to the prescribed income-tax authority to ask for information and documents which may be useful or relevant to any inquiry or proceeding under the Act. However, the prescribed income-tax authority was not permitted to ask the assessee to file its return of income in case it had not been filed.

It is now proposed to amend Section 142(1)(i) so as to include within the ambit of the assessing officer, the ‘prescribed income-tax authority’. Consequently, the prescribed income-tax authority can also mandate the assessee to file his return of income, in case the same is not filed.

This is apart from and in addition to the powers of inquiry under Section 133C wherein information and documents relevant to proceedings can be asked for.
In order to further strengthen the Faceless Appeals Scheme, a Faceless Scheme for ITAT proceedings is proposed to be launched. Therefore, in order to reduce human interface between the department and the assessee, Section 255 of the Act is proposed to be amended, to provide that the Central Government may notify a scheme for disposal of appeal by ITAT and to impart greater efficiency, transparency and accountability by:

- eliminating the interface between the ITAT and parties to the appeal in the course of proceedings to the extent technologically feasible,
- optimising utilisation of the resources through economies of scale and functional specialization,
- introducing an appellate system with dynamic jurisdiction.

The Central Government is empowered to give such directions that certain provisions of this Act shall not apply to this scheme or shall apply with such modifications, exceptions and adaptations on or before 31 March 2023.

27. **143** Assessment

It is proposed to amend the time limit of processing of the said intimation under Section 143(1) and reduce the same to *nine months* instead of the current one year time limit.

It is also proposed to amend the language of the provision so as to enable processing of intimation under Section 143(1) as regards the *mismatches with the audit report to the income side* as well and not just be restricted to the expenditure side.

Further, it is also proposed to insert ‘*Chapter VI-A*’ instead of the Section numbers under Section 143(1)(a)(v) which provides the conditions for the processing of the return under Section 143(1). The said is consequential to amendment in Section 80AC, which provides for non-allowance of deduction in case the return of income is not filed within the due date specified in Section 139(1).
Section 143(2) provides the time limit for the issue of notice for scrutiny assessment, as 6 months from the end of the assessment year, which is now proposed to be reduced to **3 months from the end of the assessment year**.

28. **2(42C)**

**Definition of the term ‘Slump Sale’ mentioned u/s 50B**

Section 2(42C) defines ‘slump sale’ to mean the transfer of one or more undertakings as a result of the sale for a lump sum consideration without values being assigned to the individual assets and liabilities in such sales.

The above definition of ‘slump sale’ is proposed to be amended to include all types of transfers within its scope to provide certainty.

Hence, the definition of the term ‘slump sale’ under Section 2(42C) is expanded so as to mean the transfer of one or more undertakings, by any means, for lump sum consideration without value being assigned to individual assets and liabilities in such cases.

An Explanation is also proposed to be added to Section 2(42C) which states that the meaning of the term ‘transfer’; shall have the same meaning as assigned under Section 2(47) and hence, all the types of transfer as defined in Section 2(47) are included within its scope.

29. **45(4) and 45(4A)** and **Section 48**

**Taxation on distribution of asset/ money on dissolution or reconstitution of firm/AOP/BOI**

Section 45(4) provides for tax on transfer of capital asset by way of distribution to partner/ member by a firm / AOP / BOI (specified entity) on its dissolution or otherwise. For computation of such capital gains, fair market value of the capital asset is considered as full value of consideration.

It is now proposed to substitute Section 45(4) and insert new Sections 45(4) and (4A) to compute tax of the specified person on capital gains arising from dissolution or reconstitution.

30. **281B**

**Provisional attachment in Fake Invoice cases**

Section 281B of the Act contains provisions which provide that in cases of assessment or reassessment the Assessing Officer may provisionally attach any property of the assessee, if necessary, in order to protect the interest of revenue. Such provisional attachment is valid for a period of 6 months.

Section 271AAD of the Act was inserted vide the Finance Act, 2020 to impose penalty on a person or a person who causes such person to make a false entry or omit an entry from his books of accounts. It is an anti-abuse provision. Upon initiation of such penalty proceedings, it is highly likely that the taxpayer may also evade the payment of such penalty, if imposed. Hence, in order to protect the interest of revenue, it is proposed to amend the provision of section 281B of the Act to enable the Assessing Officer to exercise the powers under this section during the pendency of proceedings for imposition of penalty under section 271AAD of the Act, if the amount or aggregate of amounts of penalty imposable is likely to exceed 2 crore rupees.

31. **163, 164 & 165A**

**Rationalisation of the provisions of Equalisation Levy**

The Finance Act, 2016 had introduced the Equalisation Levy (EQL) of 6% which was to be levied on a ‘Specified service’ which means online advertisement, any provision for digital advertising space or any other facility or service for the purpose of online advertisement would include any other service as may be notified by the Central Government.

The Finance Act, 2020 widened the ambit of the EQL, to not just cover payments made for online advertising, but also to any online sale of goods or online provision of services or facilitation of the any of them by an E-Commerce operator.

The Finance Act, 2021, has proposed that certain clarifications be inserted so as to provide certainty regarding the ambit of the EQL provisions.

Section 163 provides the scope of the EQL. The said section is proposed to be amended by way of inserting a proviso which states that the EQL would not cover within its ambit, any consideration which is otherwise taxable as royalty or fees for technical services.
under the provisions of the Income-tax Act, 1961 read with the applicable tax treaty. Consequential amendment has also been introduced under section 10(50) of the Act, to clarify regarding the said exclusion under the Act.

It is further proposed to amend section 10(50) so as to provide that the said section would be applicable from 1 April 2020 and not 1 April 2021 as stated earlier, so as to align the exemption with the date of introduction of the expanded EQL provisions.

It is further proposed to clarify regarding the applicability of the EQL provisions to the “online sale of goods” and “online provision of services”, by defining the said terms to include one or more of the following online activities:

- acceptance of offer for sale
- placing of purchase order
- acceptance of the purchase order
- payment of consideration
- supply of goods or provision of services, partly or wholly.

Further, under section 165A(3), the meaning of the word “specified circumstances” has been clarified to include consideration received for the sale of goods or provision of services, irrespective of the fact whether the goods are owned or not and whether the service is provided or only facilitated by the Ecommerce operator respectively.

Lakshmi Vilas Bank (LVB) is the fifth Indian financial firm to collapse over a span of 3 Years after Infrastructure Leasing and Financial Services (IL&FS), Dewan Housing Finance Limited (DHFL), Yes Bank and Punjab and Maharashtra Cooperative (PMC) Bank.

LVB was an Indian private sector bank founded in 1926 by a group of seven businessmen of Karur under the leadership of Shri V. S. N. Ramalinga Chettiar. Their objective was to cater to the financial needs of people in and around Karur who were occupied in trading businesses, industry and agriculture.

**Cause of Failure of LVB**

The financial position of The Lakshmi Vilas Bank Ltd. has undergone a steady decline with the bank incurring continuous losses over the last three years, eroding its net-worth. In absence of any viable strategic plan, declining advances and mounting non-performing assets (NPAs), the losses are expected to continue. The bank has not been able to raise adequate capital to address issues around its negative net-worth and continuing losses. Further, the bank is also experiencing continuous withdrawal of deposits and low levels of liquidity. It has also experienced serious governance issues and practices in the recent years which have led to deterioration in its performance. The bank was placed under the Prompt Corrective Action (PCA) framework in September 2019 considering the breach of PCA thresholds as on March 31, 2019.

The Reserve Bank had been continually engaging with the bank’s management to find ways to augment the capital funds to comply with the capital adequacy norms. The bank management had indicated to the Reserve Bank that it was in talks with certain investors. However, it failed to submit any concrete proposal to Reserve Bank and the bank’s efforts to enhance its capital through amalgamation of a Non-Banking Financial Company (NBFC) with itself appears to have reached a dead end. As such, the bank-led efforts through market mechanisms have not fructified. As bank-led and market-led revival efforts are a preferred option over a regulatory resolution, the Reserve Bank had made all possible efforts to facilitate such a process and gave enough opportunities to the bank’s management to draw up a credible revival plan, or an amalgamation scheme, which did not materialize. In the meantime, the bank was facing regular outflow of liquidity.
LVB placed under Moratorium

After taking into consideration these developments, the Reserve Bank has come to the conclusion that in the absence of a credible revival plan, with a view to protect depositors’ interest and in the interest of financial and banking stability, there is no alternative but to apply to the Central Government for imposing a moratorium under section 45 of the Banking Regulation Act, 1949. Accordingly, after considering the Reserve Bank’s request, the Central Government has imposed moratorium for thirty days effective from specified date.

The Reserve Bank assures the depositors of the bank that their interest will be fully protected and there is no need to panic. In terms of the provisions of the Banking Regulation Act, the Reserve Bank has drawn up a scheme for the bank’s amalgamation with another banking company. With the approval of the Central Government, the Reserve Bank will endeavour to put the Scheme in place well before the expiry of the moratorium and thereby ensure that the depositors are not put to undue hardship or inconvenience for a period of time longer than what is absolutely necessary.

The Reserve Bank of India, in exercise of the powers vested under Section 35A of the Banking Regulation Act, 1949 directs that The Lakshmi Vilas Bank Ltd., as from 1800 hours on November 17, 2020, shall not make any investment, incur any liability or agree to disburse any payment, whether in discharge of its liabilities and obligations or otherwise, or enter into any compromise or agreement, or shall transfer or otherwise dispose of any of its properties or assets. Disbursement to depositors and creditors can be made to the extent permitted by the order of moratorium dated November 17, 2020. Expenditure may be incurred towards meeting the obligations in respect of the following items. a) salaries of employees, b) rent, rates and taxes, c) printing, stationery, etc. d) postage and telegrams. e) Legal expenses etc.

Supersession of the Board of Directors & Appointment of Administrator

In exercise of the powers conferred under Sub-section (1) of Section 36 A C A of the Banking Regulation Act 1949, the Reserve Bank has, in consultation with Central Government, superseded the Board of Directors of The Lakshmi Vilas Bank Ltd. for a period of 30 days owing to serious deterioration in the financial position of the bank. This has been done to protect the depositors’ interest. Shri T. N. Manoharan, former Non-Executive Chairman of Canara Bank has been appointed as the Administrator under Sub-section (2) of Section 36 A C A of the Act.

RBI announces Draft Scheme of Amalgamation

The Reserve Bank of India has placed in public domain a draft scheme of amalgamation of The Lakshmi Vilas Bank Ltd. (LVB) with DBS Bank India Ltd. (DBIL), a banking company incorporated in India under Companies Act, 2013, and having its Registered Office at New Delhi.

DBIL is a wholly owned subsidiary of DBS Bank Ltd, Singapore (“DBS”), which in turn is a subsidiary of Asia’s leading financial services group, DBS Group Holdings Limited and has the advantage of a strong parentage. It has been issued a banking license to operate as banking company under Section 22 (1) of the B R Act, on October 4, 2018. DBIL has a healthy balance sheet, with strong capital support. As on June 30, 2020, its total Regulatory Capital was ₹7,109 crore (against Capital of ₹7,023 crore as on March 31, 2020). As on June 30, 2020, its GNPAs and NNPAs were low at 2.7% and 0.5% respectively; Capital to Risk Weighted Assets Ratio (CRAR) was comfortable at 15.99% (against requirement of 9%); and Common Equity Tier-1 (CET-1) capital at 12.84% was well above the requirement of 5.5%. Although the DBIL is well capitalised,
it will bring in additional capital of ₹2500 crore upfront, to support credit growth of the merged
entity. Owing to comfortable level of capital, the combined balance sheet of DBIL would remain
healthy after the proposed amalgamation, with CRAR at 12.51% and CET-1 capital at 9.61%,
without taking into account the infusion of additional capital.

MAHARASHTRA STATE ELECTRICITY DISTRIBUTION CO. LTD & ANR v. DATAR SWITCHGEAR LTD. & ORS [SC]

Criminal Appeal No.1979 of 2010 [@S.L.P. (Crl.) No. 7336 of 2007]

D.K. Jain & H.L. Dattu, JJ. [Decided on 08/10/2010]

Equivalent citations : (2010) 159 Comp Cas 545.

Offences & Prosecution under IPC & CRPC - offence committed by company - fabricating false evidence- company and chairman found guilty- whether proceeding against the chairman is tenable - Held, No. [It has been held yes against the company]

Brief facts : In the arbitration proceedings, the Appellant Company filed certain fabricated false evidence, which has been disclosed in the award also. Therefore, a criminal complaint was filed against the Appellant Company and its chairman, which was taken cognizance by the Trial Court. The petition before the High Court to quash the proceedings was also dismissed. Hence the two accused i.e., appellant company and its chairman filed the present appeal before the Supreme Court.

Decision : Appeal partly allowed.

Reason : Thus, the question for consideration is whether or not in light of the allegations in the complaint against the appellants, the High Court was correct in law in declining to exercise its jurisdiction under Section 482 of the Code?

It is manifest that the allegation against the appellants herein is that appellant No.1 had, acting under the control and management of all the accused, including appellant No. 2 and in particular accused No. 6, superscribed an endorsement on Exhibit C-64 with an intention to support its case and tendered the same in the course of judicial proceedings before the Arbitral Tribunal, thereby committing offence of fabricating false evidence in terms of Section 192 and 199 read with Section 34 IPC.

A bare perusal of the complaint shows that the gravamen of the allegation is that a fabricated document containing the offending endorsement was tendered in evidence before the Arbitral Tribunal on behalf of MSEB by accused No. 6, who was in-charge of Shirpur section. It is evident from the afore-extracted paragraphs of the complaint that other accused have been named in the complaint because, according to the complainant, MSEB-accused No. 1 was acting under their control and management. It bears repetition that the only averment made against appellant No. 2 is that appellant No.1, i.e., MSEB was acting under the control and management of appellant No. 2 along with other three accused. There is no denying the fact that appellant No. 2 happened to be the Chairman of MSEB at the relevant time, but it is a settled proposition of law that one cannot draw a presumption that a Chairman of a company is responsible for all acts committed by or on behalf of the Company. In the entire body of the complaint there is no allegation that appellant No. 2 had personally participated in the arbitration proceedings or was monitoring them in his capacity as the Chairman of MSEB and it was at his instance the subject interpolation was made in Exhibit C-64. At this stage, we may refer to the extract of a Board resolution, pressed into service by the respondents in support of their plea that appellant No. 2 was responsible for the conduct of business of appellant No. 1. The said resolution merely authorises the Chief-Engineer to file counter claim before the Arbitral
Tribunal in proceedings between appellant No. 1 and respondent No. 1. It rather demonstrates that it was the Chief Engineer who was made responsible for looking after the interest of the appellant No. 1 in those proceedings.

In this regard, it would be useful to advert to the observations made by a three-judge bench of this Court in *S.M.S. Pharmaceuticals Ltd v. Neeta Bhalla* (2005) 127 Comp Cas 563 (SC):

"There is no universal rule that a director of a company is in charge of its everyday affairs. We have discussed about the position of a director in a company in order to illustrate the point that there is no magic as such in a particular word, be it director, manager, or secretary. It all depends upon the respective roles assigned to the officers in a company. A company may have managers or secretaries for different departments, which means, it may have more than one manager or secretary."

It is trite law that wherever by a legal fiction the principle of vicarious liability is attracted and a person who is otherwise not personally involved in the commission of an offence is made liable for the same, it has to be specifically provided in the statute concerned. In our opinion, neither Section 192 IPC nor Section 199 IPC, incorporate the principle of vicarious liability, and therefore, it was incumbent on the complainant to specifically aver the role of each of the accused in the complaint.

Therefore, we are of the view that even the Board Resolution, adduced by the complainant, does not establish that appellant No.2 was involved in the alleged fabrication of false evidence or adducing the same in evidence before the arbitral tribunal. In the absence of any such specific averment demonstrating the role of appellant No.2 in the commission of the offence, we find it difficult to hold that the complaint, even assuming it to be correct in its entirety, discloses the commission of an offence by appellant No.2 under Sections 192 and 199 of IPC.

However, in so far as the case of appellant No.1 company is concerned, bearing in mind the fact that Exhibit C-64 was submitted with the intention to support the averments in the written statement filed on their behalf, which could possibly influence the decision of the arbitral tribunal in relation to the conduct of the respondent No. 1 while discharging their obligations under the contract between them and appellant No. 1, we are unable to hold that prima facie, a case of offences under Sections 192 and 199 IPC is not made out against them. It is evident from the observations of the Tribunal quoted in para 9 (supra) that had the tribunal not doubted the veracity of the said document, it could have made a material difference to the result of the arbitral proceedings.

We shall now examine whether appellant No.2 could be made liable for the afore-mentioned offences by operation of Section 34 of IPC. It is trite that Section 34 IPC does not constitute a substantive offence, and is merely in the nature of a rule of evidence, and liability is fastened on a person who may have not been directly involved in the commission of the offence on the basis of a pre-arranged plan between that person and the persons who actually committed the offence.

It is manifest that common intention refers to a prior concert or meeting of minds, and though, it is not necessary that the existence of a distinct previous plan must be proved, as such common intention may develop at the spur of the moment, yet the meeting of minds must be prior to the commission of offence suggesting the existence of a pre-arranged plan. Therefore, in order to attract Section 34 of the IPC, the complaint must, prima facie, reflect a common prior concert or planning amongst all the accused.

In our opinion, in the present case, the complaint does not indicate the existence of any pre-arranged plan whereby appellant No. 2 had, in collusion, with the other accused decided to
fabricate the document in question and adduce it in evidence before the arbitral tribunal. There is not even a whisper in the complaint indicating any participation of appellant No. 2 in the acts constituting the offence, and that being the case we are convinced that Section 34 IPC is not attracted in his case.

In the final analysis, we are of the opinion that no prima facie case has been made out against appellant No. 2 in respect of offences under Sections 192 and 199 of the IPC, even with the aid of Section 34 of the IPC. Therefore, it was a fit case where the High Court should have exercised its powers under Section 482 of the Code by quashing the complaint against appellant No. 2. For the aforesaid reasons, the appeal is dismissed qua appellant No. 1; it is allowed in relation to appellant No. 2.

**GENERAL LAWS**

**PADIA TIMBER CO. PVT. LTD. v. THE BOARD OF TRUSTEES OF VISAKAPATINAM PORT TRUST. [SC]**

Civil Appeal No. 7469 of 2008

Navin Sinha & Indira Banerjee, JJ. [Decided on 05/01/2021]

*Indian Contract Act - section 7- acceptance of offer- offer and counteroffer between parties- no concluded contract – lower courts allowed the suit based on the contract- whether tenable - Held, No.*

**Brief facts**: The short question involved in this appeal is, whether the acceptance of a conditional offer with a further condition results in a concluded contract, irrespective of whether the offer or accepts the further condition proposed by the acceptor. This question does not appear to have been addressed by the High Court or the Court below.

The Respondent-Port Trust floated a tender for supply of Wooden Sleepers. Pursuant to the aforesaid tender, the Appellant submitted its offer, with a specific condition of the offer of the Appellant that inspection of the Sleepers, as per the requirement of the Respondent-Port Trust, would have to be conducted only at the depot of the Appellant. The Appellant did not accept Clauses 15 and 16 of the Tender and rather made a counter proposal.

After the tenders were opened certain discussions took place between the Appellant and the Tender Committee of the Respondent-Port Trust. The issue as to the place of inspection was not settled. Later, the Respondent Port Trust placed purchase order on the Appellant, but the place of inspection still remained a contentious issue as the appellant stuck to its stand. Respondent forfeited the earnest money deposit. Appellant did not supply any material.

**Decision**: Appeal allowed.

**Reason**: With the greatest of respect, the High Court has cursorily dealt with the contentions of the Appellant and has not even discussed the cases that had been cited on behalf of the Appellant.

The Trial Court relied on Section 4 of the Contract Act, but completely overlooked Section 7. The High Court also overlooked Section 7 of the Contract Act. Both the Trial Court and the High Court over-looked the main point that, in the response to the tender floated by the Respondent-Port Trust, the Appellant had submitted its offer conditionally subject to
inspection being held at the Depot of the Appellant. This condition was not accepted by the Respondent-Port Trust unconditionally. The Respondent-Port Trust agreed to inspection at the Depot of the Appellant but imposed a further condition that the goods would be finally inspected at the showroom of the Respondent-Port Trust. This Condition was not accepted by the Appellant. It could not, therefore, be said that there was a concluded contract. There being no concluded contract, there could be no question of any breach on the part of the Appellant or of damages or any risk purchase at the cost of the Appellant. The earnest deposit of the Appellant is liable to be refunded.

Since we hold that the Appellant was neither in breach nor liable to damages, it is not necessary for us to examine the questions of whether the compensation and/or damages claimed by the Respondent Port Trust was reasonable or excessive, whether claim for damages could only be maintained subject to proof of the actual damages suffered, and whether the Respondent Port Trust had taken steps to mitigate losses. We also need not embark upon the academic exercise of deciding whether prior approval of the Board of Trustees is a condition precedent for creation of a valid contract for supply of goods, or whether post facto ratification by the Board would suffice.

The Appellant was entitled to refund of earnest money deposited with the Respondent-Port Trust. The earnest money shall be refunded within four weeks with interest @ 6% per annum from the date of institution of suit till the date of refund thereof. The appeal is, accordingly, allowed.

LABOUR LAWS

THE STATE OF UTTARAKHAND v. SURESHWATI [SC]

Civil Appeal No. 142 of 2021[@ SLP(C) No. 9864 of 2020]

L. Nageswara Rao, Navin Sinha& Indu Malhotra [Decided on 20/01/2021]

Employment law- respondent abandoned her job- after 9 years filed complaint that she had been dismissed- Labour Court dismissed the complaint – High Court reversed the judgement observing domestic enquiry was not conducted before dismissal- whether tenable- Held, No.

Brief facts : The State of Uttarakhand has filed the present Special Leave Petition to challenge the Judgment passed by the High Court of Uttarakhand, whereby the High Court has reversed the Award passed by the Labour Court and directed reinstatement of the Respondent. It was the case of the Appellants that the Respondent had abandoned her service as a clerk in the School since 1.7.1997 when she got married and shifted to Dehradun. On the contrary the case of the Respondent was that she was dismissed from services w.e.f 15.07.2006 when she filed her complaint before the Labour Court.

Decision : Appeal allowed.

Reason : We have heard the learned Counsel for the parties and perused the record. We find that the High Court has set aside the Award passed by the Labour Court on the sole ground that no disciplinary enquiry was held by the School regarding her alleged abandonment of service.

This Court has in a catena of decisions held that where an employer has failed to make an enquiry before dismissal or discharge of a workman, it is open for him to justify the action before the Labour Court by leading evidence before it. The entire matter would be open before
the tribunal, which would have the jurisdiction to satisfy itself on the evidence adduced by the parties whether the dismissal or discharge was justified.

We have perused the Award passed by the Labour Court and find that a full opportunity was given to the parties to lead evidence, both oral and documentary, to substantiate their respective case. The High Court has not even adverted to the said evidence and has disposed of the Writ Petition on the sole ground that the School had not conducted a disciplinary enquiry before discharging the respondent from service. The School has led sufficient evidence before the Labour Court to prove that the Respondent had abandoned her service from 01.07.1997 when she got married, and moved to another District, which was not denied by her in her evidence. The record of the School reveals that she was not in employment of the School since July 1997.

On the basis of the evidence led before the Labour Court, we hold that the School has established that the Respondent had abandoned her service in 1997 and had never reported back for work. The Respondent has failed to discharge the onus to prove that she had worked for 240 days’ in the preceding 12 months prior to her alleged termination on 8.3.2006. The onus was entirely upon the employee to prove that she had worked continuously for 240 days’ in the twelve months preceding the date of her alleged termination on 8.3.2006, which she failed to discharge. In view of the aforesaid discussion, we allow the present Appeal, and set aside the Judgment of the High Court. The Award is restored.

COMPETITION & CONSUMER LAW

IREO GRACE REALTECH PVT. LTD. v. ABHISHEK KHANNA [SC]
Civil Appeal No. 5785 of 2019 with connected appeals
D. Y. Chandrachud, Indira Banerjee & Indu Malhotra, JJ. [Decided on 11/01/2021]

Consumer Protection Act, 1986 read with RERA- housing project- delay in handing over flats by builder to the buyers- refund of money with interest allowed by National Commission- whether correct - Held, Yes.

Brief facts: The present batch of Appeals had been filed by the Appellant-Developer, to challenge the judgment passed by the National Commission directing refund of the amounts deposited by the Apartment Buyers in the project — The Corridors developed in Sector 67-A, Gurgaon, Haryana, on account of the inordinate delay in completing the construction and obtaining the Occupation Certificate. Aggrieved by the said Judgment, the Appellant-Developer has filed the present batch of Appeals. Since common issues have arisen for consideration, they are being decided by a common Judgment.

Decision: Appeals dismissed.

Reason: We have heard the learned Counsel for the parties. The issues which have arisen for consideration are:

(i) Determination of the date from which the 42 months period for handing over possession is to be calculated under Clause 13.3, whether it would be from the date of issuance of the Fire NOC as contended by the Developer; or, from the date of sanction of the Building Plans, as contended by the Apartment Buyers.
The first issue which has been raised by the Appellant - Developer as also the Apartment Buyers, is the relevant date from which the 42 months' period is to be calculated for handing over possession.

The point of controversy is whether the 42 months' period is to be calculated from the date when the Fire NOC was granted by the concerned authority, as contended by the Developer; or the date on which the Building Plans were approved, as contended by the Apartment Buyers.

The computation of the period for handing over possession would be computed from the date of issuance of fire NOC. The Commitment Period of 42 months plus the Grace Period of 6 months from 27.11.2014, would be 27.11.2018, as being the relevant date for offer of possession. The aforesaid chronology for obtaining Fire NOC would indicate a delay of approximately 7 months in obtaining the Fire NOC by the Developer.

(ii) Whether the terms of the Apartment Buyer’s Agreement were one-sided, and the Apartment Buyers would not be bound by the same.

The second issue which has been raised by the Apartment Buyers is that the Agreement in this case, contains wholly one-sided clauses, and would not be bound by its terms.

The aforesaid clauses reflect the wholly one-sided terms of the Apartment Buyer’s Agreement, which are entirely loaded in favour of the Developer, and against the allottee at every step. The terms of the Apartment Buyer’s Agreement are oppressive and wholly one-sided and would constitute an unfair trade practice under the Consumer Protection Act, 1986.

We are of the view that the incorporation of such one-sided and unreasonable clauses in the Apartment Buyer’s Agreement constitutes an unfair trade practice under Section 2(1)(r) of the Consumer Protection Act. Even under the 1986 Act, the powers of the consumer fora were in no manner constrained to declare a contractual term as unfair or one-sided as an incident of the power to discontinue unfair or restrictive trade practices. An unfair contract has been defined under the 2019 Act, and powers have been conferred on the State Consumer Fora and the National Commission to declare contractual terms which are unfair, as null and void. This is a statutory recognition of a power which was implicit under the 1986 Act.

In view of the above, we hold that the Developer cannot compel the apartment buyers to be bound by the one-sided contractual terms contained in the Apartment Buyer’s Agreement.

(iii) Whether the provisions of the Real Estate (Regulation and Development) Act, 2016 must be given primacy over the Consumer Protection Act, 1986?

The Consumer Protection Act, 1986 was enacted to protect the interests of consumers, and provide a remedy for better protection of the interests of consumers, including the right to seek redressal against unfair trade practices or unscrupulous exploitation. In a recent judgment delivered by this Court in M/s Imperia Structures Ltd. v. Anil Patni & Anr [See LW 90:12:2020], it was held that remedies under the Consumer Protection Act were in addition to the remedies available under special statutes. The absence of a bar under Section 79 of the RERA Act to the initiation of proceedings before a fora which is not a civil court, read with Section 88 of the RERA Act makes the position clear.
