

| Sl. No. | Tender Reference / Condition               | Existing Clause                             | Representation / Requested Clarification   | Justification  | Expected Outcome   | ICSI Reply         |
|---------|--|---|--|--|--|--------------------|
| 1       | OEM Eligibility - Technical Specifications | OEMs mentioned as Dell, HP, and Lenovo only | Clarify that the mentioned OEMs are indicative and that other reputed global OEMs offering equivalent or superior specifications and OEM-backed warranty/support may also participate. | Restricting participation to specific brands may limit competition. Allowing equivalent OEMs ensures wider participation, competitive pricing, and alignment with public procurement principles. | Wider OEM participation without compromising technical compliance. | As per the tender. |
| 2       | Warranty & Support                         | 3 Years onsite comprehensive warranty       | Confirm that OEM-backed warranty with defined CRT, SLA, and escalation matrix shall be treated as fully compliant.   | OEM-supported warranty ensures long-term reliability, accountability, and service continuity.  | Clear acceptance of OEM-supported bids.                            | As per the tender. |
| 3       | Technical Evaluation                       | Evaluation based on specified OEM names     | Confirm that evaluation shall be based purely on compliance with technical specifications and not restricted by brand name.  | Ensures transparent and objective technical evaluation.  | Elimination of ambiguity during technical evaluation.              | As per the tender. |

Compliance table for Laptops:

| S/N | Technical Specification                    | ICSI Reply   |
|-----|--|--|
| 1   | Base speed 4.9 GHz or above                | Processor base Speed 2.5 GHz or above                      |
| 2   | BT 5.4 + MediaTek MT7920                   | BT 5.4 + Intel / MediaTek MT7920 / equivalent.             |
| 3   | TPM 2.0 + chassis intrusion + SafeBIOS IoA | TPM 2.0 + chassis intrusion + SafeBIOS IoA/<br>equivalent. |

Compliance table for Desktops:

| S/N | Technical Specification               | ICSI Reply                                    |
|-----|---------------------------------------|---|
| 1   | MediaTek Wi-Fi 6 MT7920, 2x2, BT      | MediaTek Wi-Fi 6 MT7920, 2x2, BT/ equivalent. |
| 2   | Processor base speed 5.0 GHz or above | Processor base Speed 3.0 GHz or above         |
| 3   | Threads: 20 or above                  | Threads: 14 or above                          |
