	liberally so as to capture the essence of the subjects enumerated in the said Schedule. The items enlisted in the Schedule VII of the Act, are broad-based and are intended to cover a wide range of activities. The General Circular also provides an illustrative list of activities that can be covered under CSR. In a similar way many more can be covered. It is for the Board of the company to take a call on this.
6.	What tax benefits can be availed under CSR?
	No specific tax exemptions have been extended to CSR expenditure per se. The finance Act, 2014 also clarifies that expenditure on CSR does not form part of business expenditure. While no specific tax exemption has been extended to expenditure incurred on CSR, spending on several activities like contributions to Prime Minister's Relief Fund, scientific research, rural development projects, skill development projects, agricultural extension projects, etc., which find place in Schedule VII, already enjoy exemptions under different sections of the Income Tax Act, 1961.
7.	Which activities would not qualify as CSR?

9.	Whether provisions of CSR are applicable on Section 8 Company, if it fulfills the criteria of section 135(1) of the Act.
	Section 135 of the Act reads " Every company.....", i.e. no specific exemption is given to section 8 companies with regard to applicability of section 135, hence section 8 companies are required to follow CSR provisions
10.	Can contribution of money to a trust/Society/Section 8 Companies by a company be treated as CSR expenditure of the company?
	<p><u>General Circular No. 21/2014</u> of MCA dated June 18, 2014 clarifies that Contribution to Corpus of a Trust/ Society/ Section 8 companies etc. will qualify as CSR expenditure as long as :</p> <p>(a) the Trust/ Society/ Section 8 company etc. is created exclusively for undertaking CSR activities or</p> <p>(b) where the corpus is created exclusively for a purpose directly relatable to a subject covered in Schedule VII of the Act.</p>

14.	Whether contribution towards disaster relief qualifies as CSR or not?
	(May please refer point no. 7 to the annexure to General Circular dated 18.06.2014 issued by Ministry of Corporate Affairs).

15.	<p>Whether contribution in kind can be monetized to be shown as CSR expenditure?</p> <p>Section 135 prescribes “...shall ensure that company spends...”.The company has to spend the amount.</p>
16.	<p>If a company spends in excess of 2% of its average net profit of three preceding years on CSR in a particular year, can the excess amount spent be carried forward to the next year and be offset against the required 2% CSR expenditure of the next year?</p>
	<p>Any excess amount spent (i.e., more than 2% as specified in Section 135) cannot be carried forward to the subsequent years and adjusted against that year’s CSR expenditure.</p>
17.	<p>Can the unspent amount from out of the minimum required CSR expenditure be carried forward to the next year?</p>
	<p>The Board is free to decide whether any unspent amount from out of the minimum required CSR expenditure is to be carried forward to the next year. However, the carried forward amount should be over and above the next year’s CSR allocation equivalent to at least 2% of the average net profit of the company of the immediately preceding three years.</p>
18.	<p>What is the role of Government in monitoring implementation of CSR by companies under the provision of the Companies Act, 2013?</p>
	<p>The main thrust and spirit of the law is not to monitor but to generate conducive environment for enabling the corporates to conduct themselves in a socially responsible manner, while contributing towards human development goals of the country.</p> <p>The existing legal provisions like mandatory disclosures, accountability of the CSR Committee and the Board, provisions for audit of the accounts of the company etc., provide sufficient safeguards in this regard. Government has no role to play in monitoring implementation of CSR by companies</p>
19.	<p>Whether government is proposing to establish any mechanism for third parties to monitor the quality and efficacy of CSR expenditure as well as to have an impact assessment of CSR by Companies?</p>
	<p>Government has no role to play in engaging external experts for monitoring the quality and efficacy of CSR expenditure of companies. Boards / CSR Committees are fully competent to engage third parties to have an impact assessment of its CSR programme to validate compliance of the CSR provisions of the law.</p>

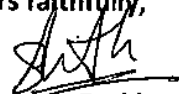

20.	Can CSR funds be utilized to fund Government Scheme?
	<p>The objective of this provision is indeed to involve the corporates in discharging their social responsibility with their innovative ideas and management skills and with greater efficiency and better outcomes. Therefore, CSR should not be interpreted as a source of financing the resource gaps in Government Scheme. Use of corporate innovations and management skills in the delivery of 'public goods' is at the core of CSR implementation by the companies. In-principle, CSR fund of companies should not be used as a source of funding Government Schemes. CSR projects should have a larger multiplier effect than that under the Government schemes.</p> <p>However, under CSR provision of the Act and rules made thereunder, the Board of the eligible company is competent to take decision on supplementing any Government Scheme provided the scheme permits corporates participation and all provisions of Section 135 of the Act and rules thereunder are complied by the company.</p>
21.	Who is the appropriate authority for approving and implementation of the CSR programmes /projects of a Company? What is Government's role in this regard?
	<p>Government has no role to play in this regard. Section 135 of the Act, Schedule VII and Companies CSR Policy Rules, 2014 read with General Circular dated 18.06.2014 issued by the Ministry of Corporate Affairs, provide the broad contour within which eligible companies are required to formulate their CSR policies including activities to be undertaken and implement the same in the right earnest. Therefore, all CSR programmes / projects should be approved by the Boards on the recommendations of their CSR Committees. Changes, if any, in the programme / project should also be undertaken only with the approval of the Committee / Board.</p>
22.	How can companies with small CSR funds take up CSR activities in a project / programme mode?
	<p>A well designed CSR project or programme can be managed with even small fund. Further, there is a provision in the CSR Policy Rules, 2014 that such companies can combine their CSR programs with other similar companies by way of pooling their CSR resources. (refer rule 4 in Companies (CSR Policy) Rules, 2014).</p>

23.	Whether involvement of employees of the company in CSR project / programmes of a company can be monetized and accounted for under the head of 'CSR expenditure'?
	Contribution and involvement of employees in CSR activities of the company will no doubt generate interest / pride in CSR work and promote transformation from Corporate Social Responsibility (CSR) as an obligation to Socially Responsible Corporate (SRC) in all aspects of their functioning. Companies therefore, should be encouraged to involve their employees in CSR activities. However monetization of pro bono services of employees would not be counted towards CSR expenditure.
