Dear Students

A webcast was Organised by the Institute on 22nd September 2015 for students appearing in December 2015 examination covering the following topics.

1. Examination enrolment process, generation of admit cards etc.
2. Open book examination
3. Examination process- do’s and don’ts
4. New training structure
5. Corresponding Exemptions and switchover

This webcast received a positive response from the students and majority of students have requested for access to the content of this informative webcast for their reference.

Considering the same and to facilitate the students who could not watch the webcast online, the webcast has also been made available on YouTube at the following link.
