Dear Professional Colleagues,

Sub. : Support to Foreign Investors for setting up business in India

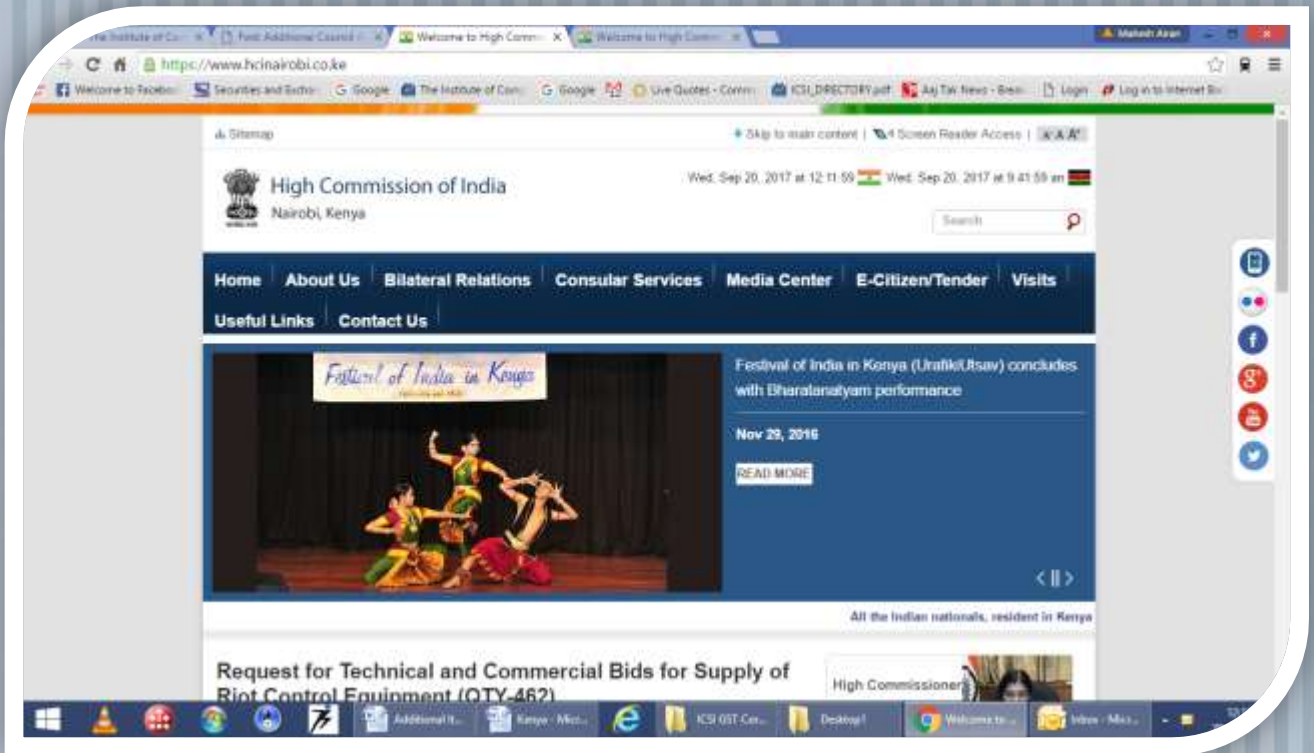

The Institute is dedicated to the service of the Nation while establishing, promoting and sustaining the global parameters of governance at par. With this, Institute is persistently supporting the Government of India in its pursuits towards nation building. In line to our whole hearted support for "Vision New India", the Institute shall be pleased to extend its association to persons/companies overseas with the guidance and facilitation on setting up business in India.

Taking forward this initiative, recently we met the officials of various Indian Overseas Mission (Ambassador/Consulate General etc.)

We are pleased to inform you that High Commission of India at Kenya and High Commission of India at Malaysia has placed the link of ICSI's website along with ICSI logo at its website <https://www.hcinairobi.co.ke/> and <https://www.indianhighcommission.com.my/> respectively as mark to apprise the populace in respective countries with the ease and information on setting up business in India. Other Indian overseas mission also assured for placing of ICSI link at their website.

Regards,

CS (Dr.) Shyam Agrawal
President
